their contrition. What was that made A PROPHETIC LANGE of? Why, coming up North and as-Speech of Col. Montgomery
There was a grand Mass Moting at
Greenburg, Westmorehal, and surface the collection of the many course paragraph of the many course par serting themselves to be as good as loyal men who never lifted the red ter.] He was a patient listener to the South ask to day is that the North proceedings of that Convention, and give them an assurance that these he had failed to hear anything calcul Southern leaders shall not flood the lated to inspire him with encourage South again with treason. It was ment for the future. At last Mr. Ray mond, of New York, read a long address to the people of this country for four years. Let them wait at least but there was nothing in that paper four years before they ask to be taken either which gave him any hope. In back in the Union.

the Convention were men of the stripe of Dick Taylor and Mayor Monroe, ocrat. He voted for Pierce, Buchanan of New Orleans. These men were and Breckinaidge, and he hoped God not the true representatives of the would forgive him. [Laughter and Southern Union people. He detailed cheore.] But he had learned how some of the sufferings which Union false they were to the Union, and he men South had endured during the could no longer respect them.—war. And in the midst of it all they [Cheers.] He hoped the fall election were encouraged to hope for the best would result in the triumph of loyal by the voice of one who spoke among mon. If it did not then the poor the hills of Tennessee, saying he Unionists of the South would have no would be to us what Moses was to the hope for the future. Life and its children of Isreal, and lead us out of tranquilities would be closed forever our bondage. That voice came sweep to them. He had intended nothing ing down over the broad acres of the personal in his remarks, but had only South giving men life and inspiring spoken of men in their official and new hope in the breast of every loyal public character. He then closed his addressing you, notwithstanding my ber busband's notes are being protestman in that region. But the voice address with a stirring appeal to the last letter was written only two days ed? was false! Andrew Johnson had not loyal men of Westmoreland to remain kept faith with us. He had not made firm for the Union, and retired smidst siderable length, of the condition of treason odious. What does he do to loud cheers.
