under the charge of

PROFESSOR R. T. TAYLOR,

AS PRINCIPAL.

In electing Prof. Taylor Principal, under an arrangement by which he will hereafter continue his connection for a term of years with this institution, the Board of Trustees feel that it is placed upon a better and more permanent basis than heretofore; while his character, long practical experience, and reputation as a successful educator, give assurance that under his management the school must prosper, and be, what the Board aim to make it, a first-class Academy, where young men may obtain a thorough English, Classical and Commercial education, at moderate expense. He will be aided by able and efficient assistants. Everything reasonable will be done to make the school both pleasant and profitable to the student. For particulars and terms, address the Principal at Beaver, Beaver co., Pa.

HENRY HICE,

In accepting the Principalship of the Academy, I desire to assure the public that no expense or labor will be spared to render this a first-class institution in all respects. Young men will be fitted for any class in College, and a scientific course marked out for those who do not desire to take the languages. For this purpose the fine apparatus will be brought into requisition. Ample arrangements will be made for board in the Institution and in town. Infallible in Correcting Irregularities, Removing Obstructions of the Monthly Turns, from Whatever Cause, and

ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO, of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family, where health will not permit. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibilities after the above admonition, although their mildness would prevent any mischief to health otherwise the Pills are recommded.
