zinnce. Most of the European States have dissented from this principle, and have claimed Highest rate poid for Compos - a right to hold such of their subjects as have Fimmigrated to and been naturalized in the Uni-OLLECTIONS made on all accessible tel States and afterwards returned on tran-stent visits to their native conutries, to the performance of military service in like mapner a resident subjects. Complaints arising from the claim in this respect made by foreign States, GOOD GROCERIES! a tave herelofore been matiers of controversy b iwcen the United Sistes and some of the Eu-ropean Powars, and the irritation consequent **OHEAP!** upon the failure to settle this question increased during the war inwhich Prussia, Italy and Austria were recently engaged. While Great Britain has never acknowledged the right of EDWARD HAZLETON, JR. britan has hever acknowledged the right of expariation, she has not, for some years past, practically insisted upon the opposite doctrine. France has been equally forbearing; and Prus-sia has proposed a compromise, which, al-though evincing increased liberality, has not been accepted by the United States. Peace is mow prevailing everywhere in Europe, and the GROCER AND present scems to be a favorable time for an as-scrition by Congress of the principle, so long PRODUCE DEALER, maintained by the Executive Department, that naturalisation by one State fully exempts the native bern subject of any other State from the ang291y] No. 21 Diamond, Pitteburg. performance of military service under any for-eign Government so long as he does not volun-tarily renormed its rights and benefits. In the performance of a duty imposed upon **INSURANCE AGENCY.** ine by the Constitution. I have thus submitted to the Representatives of the States and of the People such information of sur domestic and foreign affairs as the predict interests seem to require. Our Government is now understand.

require. Our Governmens is now undergoing its most trying ordeal, and my ernest irayer is, that the peri may be modessfully and final-ly "passed, without impairing its original strength and symmetry. The interests of the nation are best to be promoted by the revival of fraternal relations; the complete obliters-ling of our next differences and the atternal static account of the second pany of rink action in the of these Companies insure dwellings, Each of these Companies insure dwellings, out-buildings, Stores, Manufactories, &c., &c. against loss by fire, on favorable terms, for five years or less: Lossos equitably adjusted and promptly paid when the insurance is effected. All bu interest attended to with difference on favorable terms of these sizes attended to with difference on favorable terms of these and the prompting in the second built of the second facility and the second built of the second facility adjusted and prompting is attended to with difference on favorable facility adjusted facility adjusted and prompting is attended to with difference on favorable facility adjusted facility adjusted and prompting is attended to with difference and facility adjusted facility adj tion of our past differences, and the reimang-uration of all the purspits of peace. Directing our efforts to the carly accomplishment of these great ends, let us endeavor to preserve harmony between the co-ordinate Departments of the Government, that each in its proper sphere may cordially co-operate with the other in securing the maintenance of the Constitu-tion, the preservation of the Union, and the perpetaity of our free institutions.
