**Agents Wanted**  
FOR THE MOST POPULAR  
And Best Selling Subscription Books  
Published!

WE are the most extensive publishers in the United States, (having six houses,) and therefore can afford to sell books cheaper and pay agents a more liberal commission than any other company.

Our books do not pass through the hands of General Agents, (as nearly all other subscription works do,) therefore we are enabled to give our canvassers the extra per cent. which is usually allowed to General Agents. Experienced canvassers will see the advantage of dealing directly with the publishers.

Our series embraces the most popular works of all subjects of importance, and is selling rapidly both North and South.

Agents, and all others, who want the best paying agencies, will please send for circulars and see our terms, and compare them and the character of our works with those of other publishers.
