Letters and contributions, by mail shall have prompt attention.

J WEYAND, Editor & Proprieto

Fallston Foundry! ENGINE & REPAIR SHOP. In Faliston Beaver County, Pa.

HAVING refitted and enlarged my rock of months cry and tools, and having securations of the best of medianics, I am prepared to warrant all work done to give en ire satisfaction. I have on hand different ratterns and styles of Engines, Pire Clay Boils, and am prepared to make or repair

Pleas and Plow Castings.

Thave the best plow patterns that suit this n., among which is the Great Western which has been THE plow of our county for the last fifteen years. There are been sizes of this plow; all of which I manufacture and keep for sale; also "Pajent Lever"-right and left-"Mountain King"-right and left-"Side Hill," and nearly all the different kinds in use.

Cooking, Franklin and Reating Stoves

Having made several important improvements on the Climax, by which coal or wood can supplied without lifting lids, and having was places for pipe, either or both of which can be used at the same time with a sentilation to the oven, thus having the advantages of a Cooking Stove, Bake Oven and Franklin Stove combined This stove has been Frankin ctore combined This stove has been in constant use for twenty years, and many of them after being used for this period of time, are now in good order. There is but a small portion of this stove that ever burns out, and this is easily and cheaply replaced. To make them still more lasting, we are now puting in tile or fire brick lining. Our other patterns are the Enterprise, Keystone and Premium. Parlor stoves, large and small besting stoves, Franklin stoves, Jenny Lind's, Grate and Grate Pronts, Fenders, Iron Railing of various styles, Wagon Boxes, two Ireas. Tire Benders, Corn Shellers, Porce and Cistern Pumps, Sad Irons, Metal Sinks for kitchen, Sheet Iron and Tin ware, always on hand and made to order. In fact, I manufac-ture and keep for sale, almost everything wanted in the machinery or hardware line. Second hand stoves always for sale cheap. Two good new engines, suitable for eam-mill or shop purposes now on hand, and will be sold reasonable.
mar18'67.—ly. JOHN THORNILEY.

STORE, NEW FIRM

X

New Groceries

WILSON & BROWN

RESPECTIVLLY announce to their numerous friends and the public generally. hat they intend opening a New Grocery Store BRIDGE ST., BRIDGEWATER,

adjoining the Dry Good Store of A. C. Hurst, on the 5th day of March It is their intention of having on hand, at all nmes, a full assortment of the

BEST FAMILY GROCERIES

and they beg leave to state that they are dein the town or neighborhood, as their Stock of Goods are all new, and bought at the late great reduction, and selected with the greatet care by Mr. Harvey Brown, whose knowledge of the business cannot be questioned, hav-ing been with Mr. Arthur Harvey for many They call particular attention to their

Stock of Teas & Coffee, as they flatter them-wes they have something extra 10 offer M to price and quality.
The best brands of Family Flow always or and. Produce taken at all times at ful market prices. All goods delivered. WILSON & BROWN.

Bridgewater, Feb. 27, '67-13.

VALUABLE PROPERTY FOR SALE

onable price his present residence situate Smith's Ferry the house was built about two years a frame, 40 by 32 feet, having 4 good te sand hall on first floor, 5 rooms and hall to second figor, good cellar underlieath. The keys is a good one, and well finished; a good planted in apple, peach and pear trees, strawtries and small fruit. The phole is in exelent order. This property is very desirably kented on the bank of the Ohio, within three nutes walk of the Railroad station. For funder information inquire of the undersignor of Hice & Rutan, Beaver, Paragraphic Rail.

A BRIDGEWATER, PA., in extracting teeth. have added to my many other facilities for the successful prosecution of my profession, his javaluable paid-killing agent. The Clergy of Harrisburg and the Governor.

It is on these accounts, and because your III. Besolve not to be a rover .- "A rolling example and words, as the Chief Magistrate of three million of people, cannot but have immence influence, that we do ourselves the pieces. If you are honest and industrious, you pleasant honor of tendering to you, in our ful recognition of your late and most hearty

Therefore it is that we desire, in this hum-

Be assured that we shall not cease to be

Very respectfully. (Signed by all the Pastors of Harrisburg.) The Cental System.

notbecause we cannot live in comfort on our 60, the number of pounds in a bushel, given more than we need or can afford. Our The price per cental being given, to find the youth squander in extra food and drinks, in price per bushel, multiply the price per cental frolic and dissipation, which does them harm by the number of pounds in a bushel and diinstead of good, the means which should be vide by 100, Example: At \$2.50 per cental the nest egg of their future competence. what is the price per bushel of 60 pound? When cares and children cluster about them \$2,50 multiplied by 60, gives \$150,00 divided they gramble at their hard fortune : forgetful by 100 gives \$1,50 the price per bushel .that they wasted the years and the means The rule will be found correct in its applicawhich might and should have saved them, cation to bushels of and weight of Our readers will save much time while the new sytem in All these are very trite, homely truths .- becoming familiarized, if they will cut this All our boys have heard them again and article out and keep it in a handy place for a again: but how many have laid them to heart? few days. The above rule is so simple and tWe assure G. G. S. and every other youth easy that people will soon become accustomed

Dresses.

A singer in a London concert saloon writen in the Pall Mall Gazette: Can you or any of your readers tell me why adies of title are allowed to wear dresses in "society" which the manager of a music hall where I am engaged as a singer tells me are too indecent for his stage? Like most other members of my profession, I buy all my dreeses from a dealer in fashionable chat-of sisthe ing. I find that they are invariably well made. that no fault can he found with the quelity of the material, that they are long enough, and often too long, in the skirts, large enough round the waist, broad enough across the back but always so low in the neck that I am not allowed to wear them, and never feel inclined to wear them, without adding a deep band of lace or silk to cover my shoulders. My dresses come from counterses, duch esses, and oth-How is it that these ladies can wear dresses. sitting on ottomans with gentleman leaning to wear on the stage of a music hall with tan or fifteen yards' spane botwon me and my and
