M. MILLER & CO!
Rochester Planing, Sash and Door Mill.
Rochester, Beaver county, Pa.
(Near Railroad Depot.)

MANUFACTURERS of and dealers in Planed Lumber, Dressing, Flooring, Siding, Shelving, Doors, Cash, Butters, &c.

Contractors and Builders!
Also proprietors of Lark & Rhinoceros Patent Weather-Boarding, Patented May 1st, 1866, for the exterior of houses, &c. This siding consists in forming the various strips of boards of a level or tapering shape across its entire width, with layer or thicker edge made with a suitable moulding to impart a finished and neat appearance. Shop rights for the manufacture and use of this siding in Beaver county, will be sold reasonably.

Having had much experience in building, and the Lumber business generally added to our facilities for its manufacture, we feel confident in inviting our old friends and patrons to call and examine for themselves, before contracting elsewhere.

CONVERSION OF 7 3-10S.
In reply to numerous inquiries in regard to the manner of converting the August 7-3-10s into the new 5-20 Gold Coupon Bond we make the following statement for the benefit of the holders of 7 3-10s, who may not be informed:

The Government computes the interest on both bonds in currency from the date of the maturity of the last coupon, allowing seven and three-fourths on the 7-3-10s, and charging six per cent on the 5-20s. For example, \$1000 of Washington 7 3-10s Bond which reaches there on

May 1st	\$1,000
14 days interest (from Feb. 15)	14 80
Total	\$1,014 80

(This is counted at 365 days per annum) 1,019 56
Allowed for 7 3-10s 1,014 80
You pay Government 4 76

It will be seen by this that the Gold interest is given as currency, which is of itself a profit to the party converting the 7 3-10s of nearly eight dollars per \$1,000, aside from the fact that at the present rate of Gold, the 5-20s pay over 8 per cent per annum.

We are converting the 7 3-10s on much better terms than the Government, as the present buying and selling rates enable us to allow the holder of the 7 3-10s a better figure than has yet been offered by any one as a commission.

We also exchange the new 5-20 bond for the other Series of 7 3-10s on the most favorable terms.

Parties exchanging through us, in addition to getting much better terms than they can from the Government, will have their 5-20s delivered to them immediately, thus saving delay. We also register any bonds sent to us without charge. On all bonds sent by express we pay charges both ways, and send bonds promptly by directed.
