Having made several important improvements on the "Climar," by which coal or wood can be supplied without lifting filds, and having two places for pipe, either or both of which can be used at the same time, with a ventilation to the oven, thus having the advantages of a Cooking Stove, Bake oten and Franklin Stove combined. This Stove has been in constant use for twenty years, and many of them after being, used for this period of time, are now in good order. There is but a mall portion of this stove that ever burns out, and this is easily and cheaply replaced. To make them still more lasting, we are now putting in tile or fire brick lining. Our other patterns are the Enterprise, Kerstone and Premium. Parlor Stoves, large and small heating Stoves, Franklin Stoves, Jenny, Lind's, &c. Graté and Grate Fronts, Fenders, Iron Railing of various styles, Wagon Boxes, two Irons, The Benders, Kothal Sinks for kitchen, Sheet Iron and Tinware, always on hand and made to order. In fact, I manufacture and keep for sale, almost everything wanted in the machinery or hardware line.

In addition to our other Stoves, we are now making two new patters, No. 7 and 8, of the Great Republic, which are taking captive, the best cooks and housewives in the country.
