The part of the complex man to the complex leged copy, in which the prisoner's entire in- ny, could have dictated or authorized such

Established 1818

ment, we will now state why we determined in this course.

In this course.

On the trial of Fogler for the murder of the would not the state of the special probability of the selection of the surpressed his approbability of the respondents in conducting his defence were prompted by other considerations that the respondents in conducting his defence were prompted by other considerations that a regard for the welfact of their client.

For instance, in the selection of the jury, the interest of Fogler seemed to be subordinated in that of his co-defendant in the indictment, who, by reason of the severance granted at the Commonwealth's instance, was to be tried after him. The attention of all the spondents in taking two grantered in the respondents. It is proper here to say that the missioner of the would now this course doubt whether he would now this course of the murd r.

Now it must be observed that this scands. It is proper here to say that the would now this course doubt whether he would now the would now that the respondents for the prisoner's oath and signal ture. The two justices were taken into the respondents for the prisoner's oath and signal ture. The two justices were taken into the such and account to the substitute of the substitute of the murd r.

But he did not dictate any part of the saffi-davit and were without knowledge of its containt and account to the spondents. It is a spondent to the substitute of the substitute o

Other circumstances that transpired during this paper was a potit defected to the progress of the trial deepened this impression.

On Fogler's conviction we gave orders to the Sheriff to seclude the prisoner, and not to allow any persons to converse with him gx cept in his (the Sheriff's) presence. We now say that this order was given in consequence of the impression to which we have just at the prisoner must have be intended as the prisoner must have be intended to the prisoner must have be intended to the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner in the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner in the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence of the impression to which we have just at the prisoner was given in consequence that we was an absolute the resonance of the court, and to refuse to draw it up the looked for guitance and sound auticus was their duty not only to guard him from taking any istep for which his conseinee and they have the lasting any istep for which his conseinee of the court, and particularly in the distinct on it in doubt whether the affidivit, when sign and they have been careful to avoid the moral guilt of subornation of perjury which might attend to them by advising, on countering or

to be the keeper of the conscience wrong in itself, and of which he would him-self afterwards repent. This guardianship may be carefully and at the same time kindly sponsibility:

exerted. One particular will be mentioned

I have recently been in Maryland and the which was rejected for want of jurisdiction, fore; and this would be true if they were igand an appeal afterwards made to the Legisnorant of the interpolation, and had furnish. The client will be often required in the course in which a lawyer should be more cautious, or punctilions, than this. He should be careful lest he incur the moral guilt of subornation conduct on the part of the respondents, we must say the evidence affords great grounds for suspicion that the respondents in the piep aration of the affidavit for the writ of error, and the use to which it was afterwards applications and because of the universal and the use to which it was afterwards applications. In which a lawyer should be more cautious, or punctilions, than this. He should be careful lest he incur the moral guilt of subornation obtained what I am about to state from reliable authority: I declare upon my responsibility to represent purpose of Mr. Johnson, and obtained what I am about to state from reliable authority: I declare upon my responsibility to represent purpose of Mr. Johnson, and obtained what I am about to state from reliable authority: I declare upon my responsibility as a Senator of the United States that to-day Andrew Johnson meditates and designs, forcible the law requires him to state under on the affidavit for the writ of error, and the use to which it was afterwards applications, then the legal offence. An attended to the affidavit for the respondents, we communications with his ty as a Senator of the United States that to-day Andrew Johnson meditates and designs forcible the law requires him to state under on the authority: I declare upon my responsibility as a Senator of the United States that to-day Andrew Johnson meditates and designs forcible the law requires him to state under on the authority: I declare upon my responsibility as a Senator of the United States that to-day Andrew Johnson meditates and designs forcible to the authority of Congress. I make the law requires him to state under on the affidavit for the write of error, and the use to which it was afterwards applications.

It is always the wisest and best course to When placed on the witness' stand the court spondents, we can only say the evidence afmen with dependent families. To inflict on have an interview with the client; and draw was careful to instruct the prisoner as to his fords ground for suspicion that they might them such punishment would doubtless cut from him by question whether he knows the tions man, he ought to make such affidavits. fied he was under the most solemn obligation to speak the truth; and we warned him that it was his last opportunitf, as a witness, for correcting anything in, his former conduct in consecution.

demand were wholly unnecessary and out of place. Our interpretation of this unseemly conduct at the time, was that it was designed to brace up the prisoner's nerves and delude him with false hopes. It is not our purpose. Weshington County, as the writer alleges, was published to state I have not the entire concurrence of presence of the eye-witnesses. Before the respondents became his counselfhe re-iterated his confirmities to the freest manner to the cler. But whilst thus disposing of the complaint, to brace up the prisoner's nerves and delude. State of Pennsylvania. In the Court of Oyer and Terminer of Washington County, as the writer alleges, was published to state I have not the entire concurrence of the eye-witnesses. Before the presence of the eye-witnesses. Before the confidence of the eye-witnesses. Before th themselves disclosed and made a part of their not been arrested, such was his state of mind feat of the Democratic party. answers, which we all agree in opinion cannot he would have been compelled to disclose the other than the respondents themselves. We clare and say, that his application for a written bave thus given some of the reasons which influenced us, when the complaint of the attorneys who were engaged in the defence of Robert We answers, which we all agree in opinion cannot whole transaction. The only pallication he we all agree in opinion cannot whole transaction. The only pallication he whole transaction. The only pallication he whole transaction whole transaction to the petition of ever offered was that he did not design to kill but because injustice has been done; and he but only to rob Mr. Dipsmore. Besides the declares he is wholly innoced of the murder of and sworn to by Fogler, for the purpose of apterior who has been supported of having too much plying for a change of venue. Assuming this testimony of his confessions on his trial, we who has been suspected of having too much to be the paper which the two magistrates have now on this rule the additional evidence to do with our affairs, has been cashiered and were called on to attest, as the respondents that in his subsequent intercourse with his dismissed, and General Activity oppointed in The testimony of Wm. Kidd, Esq., and have averred in their sworn enswers, it is a spiritual advisers he re-iterated his acknowl- his place. Under him Union men all over Stamping, Pinking and C. k Cutting timony, in directing that the investigation John Kennedy, jaller, who were both present paper, in our judgment which no conscienat the taking of the affidavit, shows that the tious lawyer should have advised; or allowed in his statements down to the time of his trial, moving forward in a solid column on election affidavit was read to the prisoner by Mr. Lit his client to subscribe. Nor are we able to
