HOWE'S SEWING MACHINES.

THE UNDERSIGNED, HAVING RETIRED FROM the tailoring business, in Bridgewater, Pa., will in the future, devote his whole time and attention to the sale of Howe's Unrivalled Sewing Machines. His warerooms in the building formerly occupied by himself and Mr. Miller, as a Tailor Shop. These Machines range in price from $55 to $85, and will be delivered in good order to persons purchasing them. An experienced person will accompany each machine sold, and the purchaser will be thoroughly instructed in its use.

He will also keep sewing machine needles, machine oil, silk, twist, and all articles needful in sewing, and dispose of them at reasonable rates. Thankful to the public for favors heretofore received, he solicits, in his new business, a continuance of the same.

The Most Exciting and Interesting Book ever Published!

THE HISTORY OF THE SECRET SERVICE.

BY GEN. L. C. BAKER.

Late Provost Marshall of the War Department and Chief of the National Detective Police.

UNPRECEDENTED SUCCESS!

Over 80,000 Copies Sold in one Month!

THIS WORK EMBRACES AN AUTHENTIC AND OFFICIAL ACCOUNT of the hitherto suppressed facts and information obtained by GENERAL BAKER during his five years services as Chief of the National Detective Police. It was announced more than a year ago, but owing to the attempts of the Government to suppress it, its publication was delayed. It is now being issued, UNABRIDGED and UNABRIDGED, UNDER the SUPERVISION of GENERAL BAKER.

The author's well-known confidential and intimate relations with Mr. LINCOLN and his Cabinet, and his numerous personal adventures, has made his name as familiar to the American people as those of our most distinguished Military heroes. The little information and meagre accounts of his operations derived from the newspapers of the day, have only awakened a more intense desire in the minds of the reading community to learn still more of the mysteries heretofore hidden by the curtain of official circumference.

This book effectually lifts the veil of secrecy and lays bare their inward recesses to the inspection and criticism of the world.

The MORALS of the National Capital are THOROUGHLY ENTHALEED, and there are some STRANGE REVELATIONS concerning HEADS OF DEPARTMENTS, Members of Congress, FEMALE PARDON BROKERS, and Distinguished Military Characters.

It contains the only official History of the ASSASSINATION CONSPIRACY, from the conception in the haunts of vileness to the burial-place of Booth.

For thrilling interest, these marvellous narratives of GENERAL BAKER collect the famous experiences of FOUCHE and VIDOCQ, and possess the rare merit of truth for their recommendation, being all attested by the highest official authority. Now that the war is over, and the plea of "military necessity" can no longer be urged as an excuse for withholding the important facts connected therewith, it is both fitting and just that the people who spent their treasure and shed their blood for the preservation of the Union, should have its inner history presented to them by the official and sole custodial of the Archives of the Nation's Secret Service.

The work is for subscription only, and cannot be had except through our regularly authorized traveling Agents. Subscribers will not be obliged to take the work unless it corresponds with the description in every particular.

I have on hand different patterns and styles of Engines, Fire Clay Rolls, and am prepared to make or repair all descriptions of machinery, on reasonable terms.

PLOWS AND PLOW CASTINGS.

I have all the best plow patterns that suit this market, among which is the "Great Western," which has been the plow of the county for the last fifteen years. There are five sizes of this plow, all of which I manufacture and keep for sale; also "Patent Lever"—right and left—"Mountain King"—right and left—"Side Hill," and nearly all the different kinds in use.

COOKING, FRANKLIN AND HEATING STOVES.

Having made several important improvements on the "Climax," by which coal or wood can be supplied without lifting lids, and having two places for pipe, either or both of which can be used at the same time, with a ventilation to the oven, thus having the advantages of a Cooking Stove, Bake oven and Franklin Stove combined. This Stove has been in constant use for twenty years, and many of them after being used for this period of time, are now in good order. There is but a small portion of this stove that ever burns out, and this is easily and cheaply replaced. To make them still more lasting, we are now putting in the fire-brick lining. Our other patterns are the Enterprise, Keystone and Premium. Parlor Stoves, large and small heating Stoves, Franklin Stoves, Jenny Lind's, &c. Grate and Grate Fronts, Fenders, Iron Railing of various styles, Wagon Boxes, two Irons, Tire Benders, Corn Shellers, Force and Cistern Pumps, Sad Irons, Metal Sinks for kitchen, Sheet Iron and Tinware, always on hand and made to order. In fact, I manufacture and keep for sale, almost everything wanted in the machinery or hardware line.

In addition to our other Stoves, we are now making two new patterns, No. 7 and 8, of the Great Republic which are taking captive the best cooks and housewives in the country.

Second hand stoves always for sale cheap. Two good new engines, suitable for saw-mill or shop purposes now on hand, and will be sold reasonable.
