Mr. Andrew Jounson is reported in a recent private conversation for the enlighten-

ment of mankind to have said: "The President is elected directly by the people, and is therefore as directly their representative as Congress ia."

The President is not elected "directly by the people," but by colleges of electors. And Mr. Johnson was not elected President by anybody, unless it was by Wilkes Booth.

They are required to pay into the tate treasury a tax of one half per centum upon the capital stock in four annual payments.

Canine Enterprise. - Early last fall, quite a number of persons moved from Ohio township, this county, to Johnson county Missouri. Among these were Mr. Milton Duncan and family. A favorite dog ecompanied them. Last week this dog made his arsecompanied inem. Last week this dog made his appearance at his old home in this county. On arriving he was very much exhausted, and for two or three days he was scarcely able to move about. Of course he made the trip "on foot," and it is hardly probable that he loltered long on the way. The distance trav oled by the "purp" was about nine hundred miles, and we renture the opinion that as to time he beat Westen a'all hollow."
