EDUCATIONAL COLUMN G. L. EBERHART, Editor.

BEAVER, April 99, 1865.

properly qualified,-we had almost said not fit - to fill the teacher's vocation.

If any person should be cleanly in all his in his general personal appearance, that person is the training training to the feet of men arrayed in dead son is the training training to the feet of men arrayed in dead son is the training training to the feet of men arrayed in dead son is the training training to the feet of make up the surrounded by trees, forms made after the last that among teachers are found some of the 9 doz which he liftle, he sold the image of God came to insult nature and defy habits, tidy in dress, and scrupulously neat

This must be effected, as we have already intimated, as well by example as by precept. If the teacher appears in the school room with dirty clothes, muddy, unpolished boots, carelessly combed hair, dirty hands, finger nails with dirt enough under each to start a cabbage plant, he will certainly be in no plight to preach a homily on neatness to his school.

Not will he be prepared to enforce any very wholesome rules or truths, unless he be in everything pertaining to a gentleman-in

An Introductory French Reader. A French Grammar. To which Budded a French, English, and Latin Vocabulary containing the most common words in French which are derived from Latin. By E. H. Maglil, A. M. Crosbey, and Ainsworth, Boston, 1568.

Established 1818

The author of these works is a tetel! In the paper, must be addressed to the Boston Latin School; and that he has brought both scholarship and cireful and in borious effort to their preparation, is fully evinced in their subject-matter and its arrangement. The arrangement of both works is systematic and progressive, arbitrary and mechanical processes are avoided, and at the individual who does not possess this virtue, no matter what his natural or acquired abilities, is not properly qualified,—we had almost said not

Solutions of Problems.

been worn six months or a year, they were utter strangers to brushes and blacking, and whose other articles of clothing appeared to be covered with the dust of an entire twelvemonth. Their schoolrooms had more the appearance of a station on the Pittsburgh, Fort Wayne and Chicago Railway than rooms for the training of immortal sonls.

These things, my brethren, ought not so

These things, my brethren, ought not so At 10 cents each 42 pine apples are worth 420 with Mason's sister in Georgetown. His half, personal appearance, set an example of cleanliness and neatness to our pupils; and both by precept and evample enforce such rules and regulations in our schools as shall lead those under our instruction to regard the schoolroom as well entitled to care and regulations worth 15 halves cents 210 temons are spect as their homes. The impression general obtains among both children and adults that public buildings have no immunity from the cents, and 210 lemons are worth 1575 cents.

Of March 25th.

At 10 cents each 42 pine apples are worth 420 with Mason's sister in Georgetown. His half, turned so white soon after the fight, as to ciause much comment. He has single free in vited to fact as second in a duel, but refused in accordance with a pledge made to lis wife soon after killing her brother.

In 1821, two strangers, named Loga, and Sega was instantly killed. The neighbors only learned this much of their names from the marks of the public buildings have no immunity from 7 cents, and 210 lemons are worth 1575 cents, had 210 lemons are worth 1575 cents, had 210 lemons are worth 1575 cents.

[From the Irish Republic.]

A correspondent sends us a communication in apswer to some attacks on the Grand Army of the Republic.

Of this Grand Army, as an Organization we know nothing, not being members, and the society being sensible enough to keep its internal arrangements hid from the public eye. We do know that it is composed of some hundreds of thousands of the men who, when the Republic was in danger flew to her assistance. This knowledge is enough to satisfy us that

question its patriotism. We were under the impression that the Orwhich every one can imitate with profit.

It is the silent, unworded, unconscious influence which the true lady and gentleman is continually exerting upon those around, and is inost potent and endurable; hence in every action the teacher should emit some bright spark which shall not only do something toward advancing the present interest of his pupils, but which shall go far toward fitting them for a proper discharge of all the clutters.

We were under the impression that the Organization was but a continuation of the Grand Army that marched and conquered under from sixty, with stylking features, and thin traced its name in letters of fire from Shilpli to the Wilderness, and that some far-seeing men had the traced its name in letters of fire from Shilpli to the Wilderness, and that some far-seeing men had the traced its name in letters of fire from Shilpli to the Wilderness, and that some far-seeing men had the traced its name in letters of fire from Shilpli to the Wilderness, and that some far-seeing men had reorganized after the great muster-out at the supposed suppression of the rebellion, though that consummation has not been realized yet; to be held in readiness if any sudden danger should threaten the Republic. Oh, that great exhibit its limit a Quaker, and a glance at his thoughtful face and expansive forchead, shows that he is no other than the most distinguished of living Quakers. John G. Willier.

An erebt grancy venerable looking man, not far from sixty, with stylking features, and thin traced in the room, and fitten the grand at the traced in the examination of some of the many recent books and newspapers with which that consummation has not been realized yet; to be held in readiness if any sudden danger should threaten the Republic. Oh, that great exhibit is loaded, His modest necktic, and plain that consummation has not been realized yet; to be held in readiness if any sudden danger should threaten the Republic. Oh, that great exhibit is loaded. His modest necktic, and plain that consummation has ganization was but a continuation of the Grand Army that marched and conquered under Grant and Sherman, and that traced its name in letters of fire from Shilpli to the

The selections are in great part new and to permit its defenders who have become infresh, and of the most instructive and interesting character. We advise our fellow teaching character. We advise our fellow teaching character.

ring character. We advise our fellow teach or is to examine these Regiders; and we especially commend them to all who are in quest of freadors which, while they afford the best of the people for whom they fought, are so instant companion, ministering to findere of the people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find people for whom they fought, are so instant companion, ministering to find the property of the minister for elocutionary training, can not fail to impart to pupils much valuable knowledge and inculcate, many wholesome fitted to impart to pupils much valuable knowledge and inculcate, many wholesome fitted truths.

Ahn's New Practical and Easy Method of Learning the German Language. By J. U. Ochlachlager. E. Steiger, New York, and the orphanis is drowned in the rumble of the fine success. The cry of the widow and the orphanis is drowned in the rumble of the fine artless world, but the fine ear of the fine and the fine ear of the fine artless world, but the fine ear of the fine and the fine ear of the fine fine ear of the fine and the fine ear of the fine ear of the fine and the fine ear of the fine ear of
