AUDITOR GENERAL. GEN. JOHN P. HARTHANFT, OF MONTGOMERY COUNTY. SURVEYOR GENERAL.

GEN. JACOB M. CAMPRELL, OF CAMBRIA COUNTY. THE National Republican Convention meets in Chicago to-day (May 20th). Next week's issue of the Argus will fly the names of our candidates for President and Vice Pres-

ident of the United States. INPEACUMENT has failed. On last Saturday the Senate court met at 13 M, and after getlooked upon as the strongest in the series, and its defeat virtually acquits the President of all the others. The vote stood as follows:

GUILTY-Anthony, Rhode Island; Cameron, Pennsylvania: Cattell, New Jersey; Chandler, Michigan; Colc, California; Conkling, New York; Conness, California; Corbett, Oregon; Cragin, New Hampshire; Drake, Missouri; Edmunds, Vermont; Ferry, Connecticut; Frelinghuysen, New Jersey; Harlan, Iowa; Howe, Wisconsin; Howard, Michigan; Morgan, New York; Morrill, Maine; Morton, Indiana; Mor-Ohio; Wilson, Massachusetts; Willey. Democrats in italics. and It will be seen from this that Fessenden Fowler, Grimes, Henderson, Ross, Trumbull and Van Winkle were the teven Republicans who went for acquittal. The Ccurt adjourned after this vote was taken till May 20th. The why's and wherefore's of these Repub-

licans voting as they did excites an immense amount of speculation. In some quarters serted they acted from conscientious motives. The House Managers have organized a committee whose duty it is to investigate the rumore now current as to these Senators having as they did.

### Chief Justice Chase.

The general impression about Washington and throughout the whole country now is that Andrew Johnson is more undebted to Chief Justice Chase for his acquittal than to any other man. The Republican party has not put him in the foreground for the Presidency and his conduct in the late trial is only reconcilable with the fact that he wanted to hit it a blow and at the same time make friends with the copperheads. The Pittsburgh Com. mercial of Tuesday in reference to this says:
