C. M. MERRICK ..... J. K. BUCKLEY.

KEYSTONE STOVE WORKS

Car Factory Buildings,

NEW BRIGHTON, PA

MERRICK & CO.

MANUFACTURERS OF AND WHOLESALE AND RETAIL DEALERS IN

COOKING STOVES, HEATING STOVES GRATE FRONTS and FENDERS, &c., &c.

Ruby Cooking Stove Nos. 7, 8 & 9.

THIS STOVE TOOK THE FIRST PREMIUM AT the State Fair as a Coal Cooking Stove, and also at the late County Fair. We use no scrap iron in their manufacture, but make them exclusively of No. 1 Pig Metal, and warrant them in every respect.

The Ruby has the largest oven in the market and consumes but little fuel in baking, owing to to our improved Grate.

GRATE FRONTS AND FENDERS.

We are largely engaged in the manufacture of Grate Fronts and Fenders, which we enamel in an oven common, second quality and fine finish. This enamel retains its lustre for a long time, will not burn off, and makes a much superior finish to that of Coal Tar.

SUMMER PIECES

We are also making Sheet Iron Summer Pieces (for which we have applied for a patent) pressed up in a Hydraulic press. They are much lighter than cast Iron, and much cheaper.

HEATING STOVES

We claim the heaviest heating Stove in the market for the size, and use the best Stock in their construction.

Our patterns are not yet complete, but it is our intention to keep a general assortment in our line.

We also took the Premium at the County Fair for Castings generally, and we have entered in to the business with the determination to use the best of Pig Metal and make good work.

We respectfully request a share of the public patronage, and would be pleased to see those wanting anything in our line at our woks.

Prices Low to suit the times.

ROCHESTER FOUNDRY,

ANDERSON, ARBUCKLE & CO.

MANUFACTURERS OF MACHINE CASTINGS' Railway Track and Car Castings, Agricultural Implements, Engine and all other Castings made at a first class Foundry. Also, Stoves, Grate Fronts, Grate Bars, Linen Sash Weights, Hollow-Ware, Kettles, Iron Fence, and all other Castings called for, on short notice and of the very best metal.

Also, J. J. Anderson's justly celebrated New Cook Stove for Coal and Wood, which took the

First Premium

At the State Fair recently held at Pittsbugh. This Stove combines many new and important principles, which place it far in advance of all others now in use. Some of the merits claimed for it by the Inventor, are Heavy Metal, Well Proportioned, Beauty of Style and Finish, Ease of Draft, Easily Kept Clean, Requires but little Fuel, and the

BEST BAKER EXTANT.

All orders thankfully received and promptly filled.

We Call Attention to the Following Statements:

While living in the East I used several of the most Celebrated Cooking Stoves made in that part of the country, and on my arrival here, I was recommended to purchase the Crystal Palace Stove, (also invented by Mr. Anderson) as being the best. I did so, and used it with good satisfaction. When I saw Mr. Anderson's new Stove, I was attracted by its neat appearance, and on examining its Oven and interior arrangements, found it possessed many advantages over all I had seen. I purchased, and have one now in use. We consider it superior to any we have ever used. It is all the inventor claims, and we think, all that could be desired in a Cooking Stove.

CAPT. GILBERT PENDLETON.

ROCHESTER, Nov. 21st.

Having one of Mr. Anderson's new Stoves in use, I can fully endorse Capt. Pendleton's statement.

JOHN H. WHISLER.

Having one of Anderson's new Stoves in use, I can fully endorse the above recommendation.

J. WOODRUFF.

Having one of Mr. Anderson's new Stoves in use, we are fully satisfied with its good qualities in all respects.

JOSEPH IRVIN AND WIFE.

ROCHESTER, Nov. 25th.

Having kept house for a long time, and used a great number of Cook Stoves of different patterns and styles, I consider J. J. Anderson's new Stove, in point of economy in fuel, ready cooking and baking for its size, superior to any we have used, and cheerfully recommend it, believing it will render entire satisfaction.

CHAS. LUCKINS.

We have one of Mr. J. J. Anderson's new Stoves, manufactured at the Rochester Foundry, and having given it a fair trial, we find it comes fully up to all that has been claimed for it. It heats very rapidly, takes but little fuel, and is a most excellent baker. Mr. Anderson may congratulate himself on having achieved quite a triumph in the line of Cooking Stoves.

Very respectfully,

Beaver, Nov. 23d, 1867. J. S. BRACKEN.

MARSHALL'S LINE ENGRAVING OF

GEN. GRANT

NOW READY.

THIS SPLENDID LINE ENGRAVING IS THE result of two years' labor on the part of the artist, Mr. William E. Marshall, who stands at the head of his profession in the United States. It is pronounced a perfect likeness of General Grant in his best expression, by the members of his family and those who have been personally acquainted with him for many years. As a work of art it is immeasurably superior to all others. Mrs. Grant says: "I am delighted with your splendid engraving of my husband. As a likeness I do not think it could no better." Senator Sumner pronounces it "a rare and finished work, as excellent as a likeness." Mr. Bryant says: "It is really a noble specimen of the art of engraving and appears to me to give the character of the original more perfectly than any engraving which I have seen. Gen. Howard considers "the likeness striking, and the picture life-like." Mr. Huntington, the eminent artist says: "It has a large, massive style, and great force and richness. The best thing about it is the truth with which you have rendered the indomitable spirit of the man." Agents wanted in every Township. Address

FULL STORE ALL THE TIME,

And Competition Defied!

The public generally are invited to call and examine his stock. If noted in every particular, all will they not be required to purchase.

LIME, LIME,

Try it. LIME. **Try it.**

GET YOUR LIME FROM THE NEW

"MONITOR LIME KILN."

One trial will convince any one that it is the best LIME ever burned in this vicinity, is at least 20 per cent better than Lime burned the old way, and will be sold at the same price. Come and see it and try some of it before making contracts, and save

TIME AND MONEY.

The coal is not mixed with the stone to burn it, so that it is entirely free from cinders and ashes, and we burn nothing but the best stone. Brick layers need not run it off or sift it to make their morter, for they get nothing but lime, as we draw every four hours, you can always get it

FRESH.

LIME delivered promptly whenever ordered by wagon load, car load, or in the barrel.

Send orders to W. J. Dunn, Beaver, P. O., or to the "Mulvanon Lime Kiln's," Vanport, Beaver county, Pa.

W. J. DUNN.
