Also, that in the fourth section of the act of Assembly entitled "An Act relating to executions, and for other purposes," approved April 16, 1840, it is enacted, that the aforesaid 13th section "shall not be so construed as to prevent any militia officer or borough officer from serving as judge, inspector or clerk at any general or special election in this Commonwealth."

Also, that in the 61st section of said act it is enacted that "every general and special election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until seven o'clock in the evening, when the polls shall be closed."

The general, special, city, incorporated district and township elections shall be conducted by inspectors and judges elected as aforesaid, and by clerks appointed as hereinafter provided.

"No person shall be permitted to vote at any election aforesaid but a white freeman of the age of twenty-one years or more, who shall have resided in the State at least one year, and in the election district where he offers to vote at least ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election; but a citizen of the United States who has previously been a qualified voter of this State, and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months: Provided, That white freemen, citizens of the United States, between the ages of twenty-one and twenty-two, and having resided in the election district ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless first, he produces a receipt for the payment within two years of a state or county tax, assessed agreeably to the constitution, and give satisfactory evidence, either on his own oath or affirmation or on the oath or affirmation of another, that he has paid such a tax, or on failure to produce a receipt shall make oath of the payment thereof; or second, if he claims a vote by being an elector between the ages of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in the State at least one year before his application, and make such proof of his residence in the district as required by this act, and that he does verily believe from the accounts given him that he is of the age aforesaid, and give such other evidence as is required by this act; whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid a tax, or the word "age" if he shall be admitted to vote by reason of such age, and shall be called out to the clerks, who shall make the like notice in the list of voters kept by them.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners and assessors, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall not be sufficient proof thereof, but he shall make proof thereof by at least one competent witness, who shall be a qualified elector that he has resided within the district for more than ten days next preceding said election, and shall also himself swear that his bona fide residence in pursuance of his lawful calling is within the district, and that he did not remove into said district for the purpose of voting therein.

"Every person qualified as aforesaid, and who shall make due proof, as required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election under this act from holding such election or use or threaten any violence to an such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use or practice any intimidating threats, force or violence, with design to influence unduly or overawe any elector or to prevent him from voting or to restrain the freedom of choice such person on conviction shall be fined in any sum not exceeding five hundred dollars or a imprisonment for any time not less than one month nor more than twelve months; and if it shall be shown the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or the township where the said offence was committed, and not entitled to vote therein, then on conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars and be imprisoned not less than six months nor more than two years.

"If shall be the duty of the inspectors of every general, special or township election, during the time said election is kept open, as the purpose of giving information to the inspectors and judges, when called on, in relation to the rights of any person assessed by them to vote at such election, or any other matters in the examination, to have the general list of taxables, or such parts thereof as may be necessary, produced before them, and remain in their possession during the time they may be so required."

"If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth or shall offer to make any such bet or wager, either by verbal proclamation thereto or by any printed or written advertisement, challenge or invite any person or persons to make such bet or wager, shall be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not less than three months.

If any person shall vote at more than one election district or otherwise fraudulently fold and deliver to the inspector two tickets together with the intention to vote, illegally, or shall vote the same, or if any person shall advise or procure another to do so, he or she so offending shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

If any person not qualified to vote in this Commonwealth, or qualified by law, except the sons of qualified citizens, shall appear at any place of election for the purpose of issuing tickets or of influencing the citizens qualified to vote, he shall, on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months.

When I saw Mr. Anderson's new Stove, I was attracted by its neat appearance, and on examining its Oven and interior arrangements, found it possessed many advantages over all I had seen. I purchased, and have one now in use. We consider it superior to any we have ever used. It is all the inventor claims, and we think, all that could be desired in a Cooking Stove.
