"Well, I'll look into the matter. Herber Institute and the general good feeling which It seems a pity that one who is fond of his home can't Hve there, in these times of rail-ways and fast traveling," said Mr. Hudson; and he tose to depart. Herbert thanked him for his visit' and said it would please him to see Mr. Hudson again. prevailed throughout the sessions are tokens of much being done. T HARBY DOUGLAS, Sec.

The old gentleman descended the stairs, well satisfied with the call and said to hm-self: "Now for Charles Schmour's. I hope f shall find him as well occupied as Herbert Bond."

In Market Square, in the pleasant city of Merryport, was a crockery-ware store, over the door of which was a block sign bearing, On the way to the house, which was three the door of which was a block sign bearing, or four streets distant, Mr. Hudson's star-in gilt ictters, the name Benjamin Hudson — tion was attracted to three young men, who For many years this crockery ware store had were talking very localy, and acting in g

appring and used user of the light of the state of the state of the state of the light of the state of the state of the light of the state of the st

Town HALL EVENING SESSION. The Hall in the evening was filled almost to overflowing with teachers and the friends to overflowing with teachers and the friends to overflowing with teachers and the friends with out of the ball of the subject of ness who is young and active, and will take the weight from off my shouldar for L con-

the weight from oil my shoulder, for I can-not do as I used to do." Now, in Mr. Hudson's employ were two young mem-Herbert Bond and Charles Seb. mour. They had been with him an equal length of time, and had performed their du-ties faith fully and well. Charles did his work quickly, and had a smart way about him that made people think he was greatly superior to Herbert, who had a more quiet demeanor, and accompliated quite as much without making a crustific about it.

On motion Measure Henry Hice Esq. of Bea-
