ORGANS.

A LEADING EASTERN PAPER SPEAKS AS follows of the great success of the Organ: "It is not surprising, as beautiful, so elegant, and nothing that we heard for many years come so near the perfection of sweet sounds as this Organ, made by Shoninger & Co., New Haven, Conn. This instrument has the new Vox Humana Stop, which is such an addition to the old organ as to enhance their worth fifty fold. This stop gives, by an air, a thrill like into the workings of the whole instrument, doing away with the hollow, horse-like or tinny sound of wind instruments. The volume of sound is enhanced in power by the most full of pleasing melody, such as entrance the senses and intoxicates the ear. No person would think of playing a performer was touching the keys of the Organ." These most excellent instruments are for sale only by the agents.
