He propose es to read passages from various authors, and comment upon them as he goes along.

The Metropolitan Police Board

which you admit would attend the adoption of yours. By the method I have suggested, there will be an actual inflation of the currency at the time of resumption to the extent that the whole amount of gold and silver in the country that would enter into the circulation would exceed the amount of greenbacks that would be presented for redemption, and this would do much to prevent the hardships that would otherwise occur.

Another Table Will be method I have been deep the firmer Mrs. Dickens, "Nevertheles, the firmer Mrs. Dickens lived, and if the firmer Mrs. Dickens is the firmer Mrs. Dickens in the firmer Mrs. Dickens in the received a small bequest in the firmer Mrs. Dickens is the firmer Mrs. Dickens in the firmer Mrs. Dickens is the firmer Mrs. Dickens in the firmer

portion of which he bestowed in charity upon strangers the press of Chicago, including the journal with which I am connected, commented upon the fact that he had done nothing for those who had the most obvious chains upon him, and of when ous chims upon him, and of whose necessities he could not be ignorant. istics of the President elect in a strong-er light than anything that has been said or written in a long time. Du-ring the conversation a Senator and Judge from Louisiana were introdu-ced, who came to consult with the General in regard to the government indosing some State bonds for the improvement of the levees in Loui-siana.

The castern press attributed these re-marks to spite, because Mr. Dickens had not included Chicago in the line of cities in which he was to give his readings. I am sure there was no such sellings as this evoked at any time—certainty not in my own case. There was, however, an important misapprehension of facts. It is easy

Judge from Louisiana were introduced, who came to consult with the General in regard to the government indorsing some State bonds for the improvement of the levees in Louisiana.

The General said he hoped the government would not do it, and added "while we are discussing on all sides how the national debt is to be paid, I shall oppose any increase of the national obligations. I never knew a government to become responsible for any amount that it did not ultimately have to pay."

After some further remarks, designed to win the General's favor, the Judge said millions of acres of the Boston Daily Advertiser, but without the knowledge or privity of Mr. Dickeps,:

These facts came to give his redings. I am sure there was no such sellings. I am sure

DR. LIGHTHILL

CATARRH.

Among civilized communities there is no dicase more prevalent, more universal offensier
more productive of discominer, or more itable
to rise to a variety of discressing and dangerous
complications than Catarrh. In the progressivstages of development, the senses of smell act
i aste are frequently lost, hearing and sight ofte
smiles severe injury. Throat Affections, Asthma and
Erronchial Complaints are successfuly produce,
and Consumption is almost its inevitable resul.
Catarrh usually manifests itself at first in the
cavity of the nesse, but regueding beyond its pri
mary seat, it soos posservines has every cell, or
troes and cavity of the head with which the mass
passages communifeste, and at length become
diffused over the entire extent of the nuco-paise
inary tract.

hard messes of crusts, which obstruct breaths and are very difficult to detach, their diskdgme often requiring the most pholent efforts. See

times these incressations come away in hard lumps, or fragments of a deep green but occasionally broad and flat casts of a size are expelled, on which traces of blood a
