ty and other nameless villainles. Fourteen yeurs ago a Boston trav-let was the face for a tragedy-dark, newspaper in the Sandwich Islande, offereil Jack \$700 if he would return with him to Boston and relate his story in detail, in order that a Book might be made of it. Jack declined, but now, as he wiskes to make a jit-the money, he is guite ready to accept such a proposition. He intends to visit New Bedford in a few days to sequaintance, whom he expects to find there, and hopes to get funds enough to buy some tools, annumi-tion, and "old newspapers with sto-ries in them," to takeback with him; for next November will doublies sind.

The suffer and constraints of the second seco

and the second states and spond states and s

It was done by the French artist, Hou-don, who covered the father's august head with plaster, leaving two straws It was the face for a tragedy—dark, passionate, inclancholy. The mouth was sweet; the cycs so dark and lu-minous, the chestnut brown hair, so of her heart. about him, then saw no more. When she returned to conscious in his patriotic nose to breathe through. ness she was a widow. But in timo she married the love It is, therefore, as perfect in figure and feature as a work of art can be; and it is amusing to note the effect on the crowd this statute produces. It dwindles the MOUNT VERNON. Father. He appears as an ordinary

man, and not a very striking one a that. The head is small, and the expres The ride by water, from Washington o Mount Vernon, is one of the mos sion of the mouth is damaged by false delightful, as the wide, full river, no teeth, that, in that day, were gotten up only with its wooded banks, has a plea in a very clumsy style, even for the firs ant scenery, but it carries along histor-ical associations iso rare to us Ameri-cans. No one can look at the Potomac President; while the legs in the tigh breeches startle one, they are so slender. I heard an old lady ask, one day: "Is without seeing, in his mind's eve, the

"Marking," "Madge," "Iter soft eyes dilated—she attemp-ted to retreat, but he prevented the trans time in with the undying it frame him in with the undying it

just now, was seized with a pairiotic fit hast night, and she couldn't resist the country residence of the late General Washington, finisted upon my making the trip, so I could tell her all abont it. This wonderful emanation of artistic scellence, Arabelia aforesaid, never gets out of bed until noon, and if there is anything to do provious to that time she puts it on her agent—cuas her."
