Friends exclusively. The President, desirous to inaugurate a pacific poli-cy toward the red men, and to try how far they can be brought under the benign influence of christian civ-bow far they can be brought under the benign influence of christian civ-bilization, turned to Friends to asside in the desirable effort to farnish men for the work whose religious prin-ciples restrain them from any partici-pation in warlike measures, and whose practice and example, if con-sistent with their principles, would promote peace and restore the confi-dence of the poor savages in the white man.

The entry kines. The entre Republican city ticket was elected on. Tuesday, at Denver, Colorado. The Citizens' ticket was elected at Jefferson City, Missouri. The Democrats carried the election at Leavenworth, Kansas,

A promote peace and restore the configuration of the poor savages in the white man.
A of course, the first question raised among Friends was, whether the duation of generation and the same friend is the same frie
