## 

THE latest humbur dispatch of the

Cuban revolutionists in Washington

## The Beaver Argus. T WEYAND, KOTOR AND PRO Beaver, Peans, April 28, 1869. TOR OOVERNOR, 1984

JOHN W. GEARY

THE Penna., Senate, before adjournment on last Friday, elected Hon. C. H. Stinson of Montgomery County, as Speaker of the Senate. Mr. S. is regarded by his fellow Senat tors as a gentioman of ability and iy, and being maxious to give Alice all the world knows to be houset. The sterling worth.

FROM the general appropriation bill passed by the recent Legislature; we extract the following items concerning Western Pennsylvania: Alegheny county Judges, \$25,000; Western Pennsylvania, Hospital \$87,587; Western Pennsylvania Penitentiary, \$69,950; Western House of Refuge, \$20,000; New Brighton Retreat, \$2000; Marine Hospital, Erle, \$20,000.

ACABLE dispatch to the N. Y. Her- kirels who thus lied to General Grant, lient passions, and in civilizing and add from London, says it is rumored and succeeded in inducing him to ciristianizing the aborigines of the the Government will adopt a new make an appointment unfit to be west and southwest. The following and bold policy as to the Spanish-Cuban question. Belligerent. rights time to come. They would be receivare to be conceded to the Cuban insurgents, assistance rendered, and the independence of the Island assured .--into custody and sent to fail every This it is argued will prevent annextime they made their appearance in ation to the United States and give a Washington while he was President. show of consistency in the Alabama SENATOR SPRAGUE, of Rhode Isclaims and beligerent rights question pending with the American Government.

member, that are attracting no little THE cock and bull story telegraphpublic attention. Since making them ed last week from Washington to the he has boasted in his place in the Seneffect that Senator Cameron had made a bitter speech in the Senate against many hundred letters from the peothe confirmation of ex-Gov, Curtin as Minister to Russia, and that Senator Scott took up the cudgel in Curtin's behalf, turns out to be purely Neither the letter writers, his fellow sensational. Not only did Senator Cameron not make the speech referred to, but he did all he could to have the nomination confirm'd unanim ly, which was done. Had Senator C desired to do so, it is highly probable that he could have defeated both the fury can be gathered from them. Owappointment and confirmation.

 g have all failed on the simple ground ed that a proclamation against fillithat there was really nothing to reply bustering should be issued. The Secretary promptly declined, saying that sas the insurgents had a provisional government, he saw, no reason for hindering persons from taking up arms in their service. The Spanish Minister, some days since, promised a full reparation for insults to our flag by the Spanish in Cuba on 20th inst. He informed Secretary Fish that he that another Rhode Island family is had not heard from his government on the subject, when the Secretary informed him war would ensue if an

answer was not forthcoming soon. THE feeling in Cabinet circles relative to the annexation of Cuba is said not to be very strong, not to be very strong, not the slightest ground for the sup-position that the President is anxious for an extension of our territory in that direction. One of the strongest bushel, for the strongest bushel for not to be very strong, and there is -that the United States derives a rev-enue of thirty-six millions annually will be the largest yield in proportion from duties on imports from that country alone. In the event of an-nexation there would be a deficit to exactly this amount, which would go far toward wiping out our surplus. All the talk on this question would seem to be in the interest of the largest of the largest yield in proportion is provided in the same man-nexation there would be a deficit to splendid promise for all wheat, the talk on this question would sowing of Suring wheat.
