SPNATORIAL.

The Senatorial nominee question seems to be disposed of. On last Ext day a committee of three persons repesenting Washington county, met a be of an original and authentic char similar committee from Benver county in Pittsburgh, to investigate the charge of corruntion mude against Mr. Rutan, the Senatorial mountee or the XXVIth district. The comand Boyd Crumrine. The Commit-

teo from Beaver county consisted of The Executive Committee of the Rewo indee that the Wushington counther than an enviable light.

We would have preferred to invethe County Committees of the two countles, and we so stated last week. Had these committees, or rather subommittees chosen from them, taken the matter in charge, and held their sessions in the borough of Washington and putthe witnesses under oath a verdict of acquittal-such an one as we presume would have been rendered-would have reassured the whole rumored removal of General Camby party, silenced all cavil, and placed to Mississippi and his supercedure by our organization and Mr. Rutan both, in more favorable positions than the public now finds them. In saying this much we do not impugn the ac tion of the committee that made the examination. We would raise the same objections to a similar committee composed of the very best men in

the State. We believed last week, and we still believe, that it was a County Committees of Washington counsels have, however, prevailed. and not being of the opinion that all the wisdom of our party is lodged in us, we "accept the situation," carn estly honing that the fears we have entertained for the last few days, aristhe question, may prove to be mere

creatures of the imagination. COL. BOWEN, the leader of the St. Louis police, who for several weeks have been scouring the woods of St. Francis and Washington counties, in scarch of Sam Hilderbrand, the des perate murderer, has returned to that city. He reports all efforts to capture Hilderbrand have so far proved msuccessful. Endeavors are still being made, however, and large numbers of men are organized and con-

stantly on the alert to capture the support of the organization of companies to hunt the villain:

ey had secured that gentleman the place. These tumors finally mould, ed into an open, direct and specific charge that a Washington member of the Conference had sold out his vote to Mr. Rutan's friends for a stated sure of repey. So long as content of sure of repey. So long as congent orders of our Government relative to the enforcement of the neutrality law. The agent of the patriots on the Island, Mr. Lemus, who has been solourning among us for sometime past, has left for New York where he hopes to be able to exert readers, remain silent when a specific charge was made, and knowing but where he hopes to be able to exert readers, remain silent when a specific some influence invorable to the cause of his struggling countrymen, without open violation of the neutrality laws of this Government. Mr. Lemus is a man of energy, determination and brains, and if there is any help for his country to be drawn from the present condition of things here he is likely to find it and make the most of it. All trips A right answers, here we would most assuredly again party of the we would most assuredly again party sue under similar circumstances, belikely to find it and make the most of it. All true Americans must regard the struggling liberals in Cuba with heartfelt sympathy, and regret that the necessity of apparently occupying a position unfriendly to human freedom.

The Doctor is again refused an appointment to a clerkship, by Secretary Boutwell, in a manner which has brought our Doctor Major to tears.

accusations of corruption in and out of political and public life.

We, in common with all, right thinking persons of whatever shade of political

woman of unexceptionable character, and has nursed soldiers in the hospital and on the field, at a time when the alleged Rutan corruption. As

which was held in our cay day, a report of the proceedings of which we herewith stuck:

To the Republican Execution tees of Washington and Republican their salaries, and providing that the clerks shall be paid off semi-monthly hereafter, is causing great consternation among the money Brokers here. Heretofore it has been customary for many clerks to borrow money at from 10 to 20 per cent a month, and give an order on their disbursing Office for the amount. The effect of all this has been to keep the clerks dependent from one month to another upon Money Brokers. So hard up are the clerks it is a very usual thing for them to be compelled to borrow money the next day after paid off.

CLERKS:

The Heads of the different Departments have about concluded their of the salaries are object of this note, is the owner of a house is not when his house is not when his house is not extits every public place in, and around, Washington, attends nearly every public meeting, and makes herself heard whenever an opportunity favors. Yet, with all, she does whose claims are respected. If she possess vanity, it is constitutional with her, and how can she help it?

Office for the amount. The effect of all this has been to keep the clerks dependent from one month to another upon Money Brokers. So hard up are the clerks it is a very usual thing for them to be compelled to borrow money the next day after paid off.

CLERKS:

The Heads of the different Departments have about concluded their of the clerks have about concluded their of the heard constended to borrow and notified him to leave. The tenant carnged, sued the possess vanity, it is constitutional with her, and how can she help it?

Her dress might be cut to appear less the fully say her dress is not convenient, and under different customs, approvance for the leave of the Republican Every much resembles were made attire; she takes care to be known here; and to that ends to the the sale attire; she takes care to be known here; and to that ends the two counties.

The Heads of the different Departments have about concluded their for the clerks is the subject of the subject of the same had been customed to the senson, but when his ho were present at the conference refer red to, all of whom submitted then selves to a full and careful examina-tion. The testimony failed to show that the nomination of Mr. Rutan

all distasgrate to honest men among
them, but has been repudiated by a
number of the Democratic ward or
ganizations. If they lose the city, as
they must, how can they carry the
counties of the interior? They have
lost their nationality entirely. Upon
no one issue can they make a stand.
Beaten upon every point by the Republicans. Beaten upon every point by the Re-publicans, they cannot rally against the fifteenth amendment with the

The late letters of Governor Brown-low, speaking for the Republicans of Tennessee and placing the friends of Senter on the square Radical plaform, prove the wisdom of directing public attention to the hopes and plans of the Democratic leaders. It was a source of great regret to thousands of Republicans that there should be nia, will be spread before them. If they attempt to prove themselves friends of the protection of home in-

What makes a Marriage ? A great chancery case is now pend-ing in the Circuit Court at Decatur, Illinois, which involves one of the largest estates in the State, and em-ploys some of the most distinguished ploys some of the most distinguished in the same of the West. The hill is filed by James Funk, who asks a division between himself and his eight brothers and one sister of his father's property, 38,000 acres of improved land, near Bloomington, embraceing the famods Funk grove, 5,000 acres of the finest forest in the State. The point at issue is the legitimery of the point at issue is the legitimacy of the petitioner, all else being yielded by his opposing relations. The evidence given is a family history. Isaac Funk in 1836 lived in Ohio, and became so intiniate with a young wo-man that James Funk was a conse-

came so intimate with a young woman that James Funk was a consequence of their communion; and after birth continued the connection Juntil a daughter was born, when there was coolness for some time. But when, shortly after, the young mother was hired as housekeeper to Isaac's father, shared her chamber as her husband, and when he and his brother's run away from their debts, her third child being then but six 'days old, she so exerted herself for his comfort that she died a few days thereafter. Funk returned to Ohio a few years afterward, paid his debts, and brought his son James back home with him; and having married in the meantime, proceeded to raise him with the rest of his children, all the time ackowedging him as his son. The question, of course, is, whether the long-continued intimacy of father and mother, and the undisputed recognition of the son's claims, do or do not constitute a valid marriage, without legal ceremony.

THE recent nomination of B. B Strang for the Legislature in Tloga county, is raising a storm of indignation among the Republicans in other localities of the Sinte. Mr. Strang was a member of the last Legislature, and was the recognized champion of and was the recognized champion of almost every measure that took montry out of the State Treasury. His course and that of his followers last winter at Harrisburg will, cost the party not less than thousands of votes at the October election. The Bedford Inquirer, a leading Republican paper of this State takes this view of Strang's

nomination: . . . "We protest against returning men who have been known to take part in, vote for, or connive at any man-ner of corruption and swindling. We want honest men who know and will dare to do their duty. To renominate such men as Strang is treason to the Republican party.

visuall young persons to get an educa tion. You can get more for your tim and money at the State Normal School at Adaboro than at any other institut
