In introducing our stove we receive in part para meant number of staves recently maintactured and sold by other parties. These, as a general thing, are nearly new and embrace the newest and most improved styles man made, excepting those manufactured by myself. We will sold these exercise to the styles and most return to the second of th at very low rates.
Having three first class engines on hand, of about fifteen horse power capacity, they are offered to the public at reasonable rates.
