About Potatoes.-We last week stated that George W. Hamilton, esq., of Beaver, had planted this season three dans ago had gathored his depo which weighed nincty pounds. Believing this to have been an extraordinary yield we nsked if it could be beat in this county, forms us that he planted, last spring, three pounds of the Early Rose, and was rewarded with a crop weighing one handred and seventy-three pounds. This cats Mr. Hamilton badly. Now who can beat the General ? . The latter also informs us that he planted-last spring two octatoes of the Scotch Russet variety which violded him thirty-nine pound

of plump potatoes.
Since the above was in type we hav occived the following letter which Deat Gen Littell's yield all hollow :

WADSWORTH, O., Aug. 19, 1869. tion will have to try again with Early Early Rose and raised cighty pounds of as tine potatoes as over wore seen. Yours, &c.,

J. K. PARDER. Good Fast Colored Prints, at 10 cents, at Jas. A. Fortune's.

Died Broken Hearted .- On last Thursday a sad funeral wended its way to the old Cemetery, bearing the corpse of a man who died of a broken heart. It appears that Mr. Cornelius Thomas, a weeks ago for the coal mines of Pennsylvania, and on his arrival here his health failed him, and he saw no prospects of being able for months to come to send children left in Scotland. This so preyed on his mind that he died from melan holy and grief. During his last days he longed to be back to his home in Heo hand in such imploring pathetic strains as to move to thars all those who heard him.—Monongukcha Republican.

The M. E. Church Question. Mr. Entron From indications quite pparent it would seem that the controversy touching the occupation of the Public Square by the churches, so far as the newspaper forum is concerned, is thoritative tribunal, when and where the mosted question will be settled; and al ough it is not our intention to uncover. still we deem it proper to say a few words in reply to a communication in your last that there is not among the gentleme over the signature of "Citizen." The article referred to is written in much botter temper than was a former one signo the Trustees, whereof it is substant ally a repetition. The argument of "Cit- Mr. Editor, I must not further trespas

iren, briefly stated, amounts to this; on your space; but you will bear in that the State having reserved the square mind that our slde have been content for public uses had the absolute right to, only to answer the positions assure o of "public im- I the other side, and not go ortance," and that churches are such, and within the meaning of the Act of 1791, and strange to say quotes the Alle-gheny Act of 1787 as construed by the apreme Court in the case of Commo wealth vs. Rush, in support of his posi-tion. The 4th section of the Allegheny act provided that thereshould be so much land "reserved for the use of the State as should be deemed necessary for a court

former case the reservation was special cluding in its terms churches, whereas in the latter it was general, and suscept ble of no special meaning, as he contends. Great stress is laid upon the facthat the square is reserved for instead of being dedicated to public uses. Where is the distinction? We conceive that

there is none, that the grant differs only in terms, the uses being declared the effect is the same in either case. The construction given to the Allegheny Ac othe dedication must be considered with reference to the use for which it is de signed, and must be so construed as to arry into effect the purpose intended. This is precisely our position, and we think we are fully sustained by the very case which "Citizen! contends supported the position of the Brustees. Vasat the

intention of the framers of the Act of 1791 that this square should be blocked up Academy High School, J. B. Rhode to Jas. A. Fortune 8, Damond, Rochestor. It is the effect of houses of worship thereon? If it was not, "Citizen" admits in effect that the churches on the yet the old Presbyterian chirch with its square are without authority of law, notvertised in the Arous. It will begin of public worship were within the meanin the Act of 1791, for what purpose were pupils performed better the second eventhe Acts of 1821-6 passed? We take it ing than the first. The stage was really that no lawyer on the church side of this beautiful, and much credit is due to me controversy can be lond who will take dies of Darlington and vicinity who man-

The next and Blanche Shurlock as to call forth a town is Oswego, a flourishing little vilhearty laugh and general approbation of lage of about five hundred inhabitants. The next town is Chetops; they claim One of Claribel's best songs was sung have one thousand inhabitants, and it is in an admirable style by Miss Hollie Car- a business little place. They mean busison, of Allegherry City, Pa., and Miss ness there. It is just on the edge of the Cynthia Dunlap and Miss Lucy Steer State and close to the Cherokee nation:

cal piece of the entertainment was sung are all taken; any not taken are out of the way of timber, and timber is very ond evening by Prof. Rhodes and Miss scarce almost anywhere in the Neosh one evening by Fron. Resides and same scarce amost anywhere in the Accan-Wright. I refer to "The Gipsey Coun-ton," Glovers' favorite Ductt. The place to be bought notwithstanding the boau country; but there are pleniy of claims was received with a storm of apparatus, the claims are for sale, and the prices mediatoly repeated, by aumerous and range anywhere from four hundred to provements, location, &c. It costs tro-mendously to live there; corn from \$2 to 250 per bushel; oats from 75 to \$1 per

thing else in proportion except fresh beef. You can buy the heat of fresh beef from six to ten cents per pound. We bought, in the meat market at the "Mission," as tine stoak as over you saw for ton cents per pound. You will bear in mind that this is a cattle country, and for once in my life, I beliave I saw a place where cuttle can find their own living through the winter. The grass grows about twelve inches high, fine and very thick, We had a notion to go to Fort Smith but our mules were small

passed through the Paola's and Pau paw's country; stoated our course for country there. Crossed Spring river Mical creek, and touched the corner principles in treatment in apprix to go more just at present, but will in my which will ever take the hearts of true moxt.

Collection of School Tax.-Con dderable inquity having been made of us from various parts of the county i regard to the provisions of the set pass touching the change in the manner of collecting school tax, we have concluded to re-publish the law. It would be well for all School Directors to preserve

copy. It is as follows: SECTION 1. Be it enucted by the Senal rom and after the passage of this art it directors of any school district in thi Commonwealth, by resolution of the board, to authorize the collection of the

school tax in the manner hereinafter pre-Size, 2. The board of school director shall place in the hands of the a certified duplicate of the school tax MANUFACTURED BY THE and it shall be his duty to give at least OROIDE WATCH CO., one month's notice of the time and place at which he will attend, at least one day, for the purpose of receiving school tax; and it shall be his duty to receive and

nave just returned:

I went in company with a Mr. Woods formerly of Lancaster, Pa., and Mr. Modath, formerly of Lancaster, Pa., and Mr. Modath, formerly of New Jeracy—both now residents of this place. They procured mules, and I furnished a wagon with the collector the company manual procured mules, and I furnished a wagon with the collector the company manual rith angle of the procured mules, and I furnished a wagon with the collector the commining month he was a state of the polar ways of the Express charges only. Persons can order by small rith angle of the procured mules, and I furnished a wagon with the col, and for the remaining month he was a state of the polar ways of the procured mules, and I furnished a wagon with the col, and for the remaining month he was a state of the polar ways of the procured mules, and I furnished a wagon with the col, and for the remaining month he was a state of the polar ways of the procured mules, and I furnished a wagon with the collector the amount the collector the amount the ways of the procured mules, and I furnished a wagon with the collector the amount the collector the amount of the procured mules, and I furnished a wagon where the collector was a state of the collector the amount the collector the amount of the procured mules, and I furnished a wagon was a state of the collector the amount of the collector shall make nonhatoment on the taxes received.
