Formers take Seties.—The crops in Beaver county having been good the present season; farmers will very naturally look around them to see where they can find a will that will do them good grinding, and furnish them with a fair yield. The mill at Fallston will do both of these. Mr. Edgar has recently overhauled its entire machinery, so that it can be run during either high or low water. As an instance, during the recent rise in the Beaver, it was noticed that while the mills and factories along the different races were stopped by the high water; Mr. Edgar astonished his neighbors by running his mill all the time the freshet continued. Throat and Lunga, Don't neglect a severe Cough, or throw away money on a

Hair Vigor For restoring Gray Hair te

hair is soon resto to its original cold with the gloss and freshness of youth, Thin hair is thick ened, falling hair checked, and baldaces often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed But such as remain can be raved for usefulness by this application. g Instead of fouling the hair with a pasty sedi-ment, it will keep it clean and vigorous Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which

injurious to the hair, the Vigor can only benefit but not harm it. If wanted HAIR DRESSING, othing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts
