

FOR GOVERNOR, DEM.

JOHN W. GEARY

Judge of Supreme Court.

Republican Nominations

WILLIAM C. SHIRKOCK

ROBERT COOPER

Assembly

ARTHUR SHIELDS

At White Haven, on the Lehigh Valley Railroad, when the news of the nomination of Packer for Governor was received there, large numbers were hung out from the "digger's" announcing, "Packer whistler's!" He still scatters it "free," believing it a powerful electioneering agent.

When the County needed cash, Asa took his carpet, big and moved to Philadelphia, where he had his home. He was a resident, and thus elected his county out of his share of the debt. Vote for Geary!

A Rumor is in circulation in some localities of this county, to the effect that out of the dozen candidates for the Sheriff's last spring, not more than two or three are supporting their successful competitor, Arthur Shields. At the present time, this rumor is no doubt put about by the friends of the Democratic candidate for that office. It is entirely for every candidate whose name was announced last May, for any office, first pledged himself to support the whole ticket, but who might be nominated for Sheriff, or for any other position. No honorable man would violate a pledge of this character; and we, therefore, brand the rumor above referred to as a base and malicious lie, and to impugn the prospects of Arthur Shields, but to damage the political reputations of nearly all of those who contested with him for the nomination. Unsuccessful candidates for Sheriff! Show by your works, from now until the election, that you are not more than honest competitors. So say you all. Then vote the Republican ticket, without a single man's exception.

A gentleman from an adjoining locality was in town on Saturday, and would have, stated that he had been writing a short time before, to support Mr. Donohoe for Clerk, on the ground that the entire Bar of Beaver, and nearly all the prominent men of the same place, were resigning John C. Hart's election, and doing all they could to elect Mr. Donohoe. We do not know who the author of this corker is, but we are very sure that it is a redoubtable nevertheless. Mr. Donohoe will about poll his party vote in Beaver—very few more or very few less—intending to mislead the public. Put no faith in them, but vote for John C. Hart and the whole Republican ticket.

Republicans, wake up! Action is the word! Let every man do his duty, and elect a Governor and Judges. You have a Governor and Judges of the Supreme Court to elect. We cannot afford that. Then work, and let every man speak and agitate. You cannot expect many speeches, as the time is so short now. Again we say, go to work to get out a full vote.

FRIENDS, to work! The time is short, next week the election comes off for next or for. Whatever is to be done, must be done quickly—no delay. See that all the doubting votes are properly arranged for bringing out every vote, and see that they are balloted for John W. Geary and the entire Republican ticket.

The Methodist congregation at Weatherly, Carbon county, desired to build a church a short time ago. They called on the Union Asa Packer with a view of obtaining sufficient land from him, either by purchase or gift, to erect said house of worship. Although Mr. Packer owned two to three hundred acres of land in his neighborhood, he refused to sell or give them any ground in a suitable place for the purpose. Such is Packer's liberality.

FREE Trade and repudiation are the favorite measures of the Democratic party. The first would reduce the laboring man to a state of slavery, as it is possible to get rid of the abolition of that institution. The other would bankrupt the Government and cast the maimed and crippled heroes who saved the Union—and widows and orphans of soldiers—upon the cold charity of the public. Vote for Geary and the Republican ticket.

WHILE the Democrats of Pennsylvania are appealing to prejudice and passion to prevent the adoption of the Fifteenth Amendment, their friends of the South, not forgetful of the results of the war, occupy quite a different position. The *Monticello Advertiser*, a paper that was ever true to secession, rebellion and the Democratic party, speaks as follows on this question:

For the sake of, and for the sake of, let the poor negro alone. Let for he is citizen with all the rights of a freeman, will never be shorn of them, and irreversibly free. Let our boys elect against negro suffrage. It is a settled point and we can't alter it. Packer's followers should heed this sensible advice.

THE man who took \$100,000 for fifty four days' service in a place months' Congress; The man who raised the price of transportation on coal fifty seven cents per ton, adding that much to the price the poor man has to pay; The man who changed his residence the better to defend the State of his fair proportion of taxes; The man who sympathized with rebels at home and nobbed with them in Europe; The man who tried to force his business to work at starvation wages and was plied by them into the *Washington Post*; This man of contracted heart and narrow capacity for gall—this Millionaire, Railroad King, Prince Monopolist, who was nominated by corruption and expects to succeed by the same means—this man, Asa Packer, wants to be Governor. *Shall he be?* People of Pennsylvania, answer the question.—*Harrisburg Telegraph.*

We hear it stated that a number of Republicans scattered here and there throughout the county, propose to vote for Asa Packer. Asa Packer is a scoundrel on the ground that he is already filling a "plurality" public position. They are laboring under the conviction that he is the county Court clerk. This is an error. Mr. Shields was the Court clerk for some time previous to 1882. At that period the Government, freed from debt, paid him the money, and Mr. Shields promptly gave up his post in the Court room, joined the 40th Regt. Vols., and with that regiment moved forward to the front in defense of his beloved country. He continued there for three years, and if the Republican party of Beaver county desires to show its appreciation of his conduct, they should give him the same vote as they give to the Republicans! In vindication of our sincerity and patriotism let us do this. John M. Elliott, of Beaver Falls is the present clerk of our Court, and has filled that position since Arthur Shields went into the military service in 1862.

The people should not forget that we have never had currency so convertible and sound as the greenbacks that they were issued by the Democrats from the first, and that if the Democracy succeed we shall be brand back upon the shimplaster of the world. It should give him the same vote as they give to the Republicans! In vindication of our sincerity and patriotism let us do this. John M. Elliott, of Beaver Falls is the present clerk of our Court, and has filled that position since Arthur Shields went into the military service in 1862.

Look out for Bogus Tickets. We are satisfied that bogus tickets were printed in this place last week, to be distributed just on the eve of the election. Be on the look out for them, and destroy all you can find. Below is the genuine Republican ticket. Compare your ballot with this ticket before voting. If they are the same throughout, all right. If there is the least difference, conclude that some one is trying to impose on you:

UNION REPUBLICAN TICKET. STATE. Governor—JOHN W. GEARY. JUDICIARY. Supreme Judge—Henry W. Williams. COUNTY. Senate—James B. Butan, Assembly—Andrew J. Buffington, Harvey J. Vankirk, William S. Shurtz, Sheriff—Arthur Shields, Treasurer—John C. Hart, Register & Recorder—Darius Stinson, Clerk of Court—John C. Hart, Commissioner—Joseph Britain, Auditor—Wilson L. Lockens, Poor House Director—Robert Cooper, Trustees of Academy—David P. Lowary, James M. Smith, Henry Hill.

BEAVER BOGUS REPUBLICAN PRIMARY MEETING. The Republican voters of the Borough of Beaver are requested to meet at the Court House at 10 o'clock, to nominate a Borough ticket to be supported on the 12th inst. Let there be a general turnout of the Republican voters.

THE Democracy are plundering Asa Packer of his filthy lucre at a fearful rate. Two or three weeks ago the State Central committee of that party sent twenty-five thousand dollars into the Dauphin county district for electioneering purposes. The Republicans ascertained this, and their papers have been charging it home on the Democracy. The latter make no denial, and thus admit the truth of the charge. Of course this money comes from the pockets of the would be Governor of Pennsylvania. The McCallin's of his party demanded it, and Asa has just got to "shell out."

DEMOCRACY would repudiate the national debt and make every greenback, national bank note and Government bond worthless. It would make worthless the last dollar of the widow and orphan and deprive them of board and clothing to carry favor with unrepentant rebels. Repudiation is nothing more nor less than a bid for rebel votes. What honest man, what poor man, what soldier can support a ticket that would repudiate the national debt and make every greenback, national bank note and Government bond worthless.
