Government on the subject. One of be left out in the cold until the crack of doom unless she presents persons for Cabinet appointments other than those who accept them only that they may enrich themselves and friends. In short, if our Sinte cannot offer men for leading public positions who question of driving out aliens and enjoy the confidence of the people, Gen. Grant does exactly right in snubbing those who apply without this Mountain being of peculiar interest requisite.

JEFFERSON DAVIS says to his ad-THE Salt Lake Telegraph, owned mirers who call on him in Baltimore that he has no interest whatever in by the champion marryist of Utah, political affairs, and shall decline all complains that the United States Judonversation 'in reférence thereto ges have refused naturalization paduring his trip to Mississippi. He is pers to those who would not say, said to have expressed the hope that when questioned, that they were not the liberal Conservative Republicans polygamists, or not in favor of the system. If the candidate for natural-

question of this county. Thus that theory fails to the ground. If it was thought "necessary to sach the United Presbyterian Church a lesson" why was our candidate for Sheriff made the instrument and at the same time the victim? There were other members of that denom-ination on the ticket beside Mr. Shields, and that being the case, is it likely that those who wished to nothing evil-could be said, and whose gaping wounds at ested how bravely in her day of peril? Not at all. If in her day of peril? Not at all. If in the liberal Conservative Republicans of the South and the Democrats of North would succeed in the full elec-tions. His estimate of parties is that the Northern Democrats represent what is loft of the principle of self government, or "White Mothers Gov-ernment," while the Conservative tis left of the principle in that section. Not the morping of the 27th of Sep-tember, a large and well appointed fore of Cubans and Americans, evad-ing the United States authorities, and well he had served h's country in her day of peril? Not at all. If in her day of peril? Not at all. If r Alabama This is the expedi- moral character stacked to the prinhe spoke of the en tion of which we have had various ciples of the United States, and well President had rendered to the counthe blow had been intended for the U. P. Church it would have fallen elsewhere than on Arthur Shield's head. It would have come down on some one of whom it could not have been said: "he was a wounded sol-dier." The iden that the "defented condi-The idea that the "defeated candi-dates for Sheriff" entered into a com-bination during our fair to defeat their successful competitor, is a very weak invention to cauther their destitheir successful competitor, is a very weak invention, to say the least of it. To begin with, not more than one half of the defeated c undidates for that office were at the fair at all, and those who were present would much rather have taken each other by the lugs, and gone through a pummeling exhibition than to have sat down side by.side, and cordially conspired to defeat Arthur Shields, who, (with one exception) next to themselves, respectively, was the accord choice of d James Oakley, in Huntington, one exception) next to themselves, respectively, was the zecond choice of all for that office. Beiddes th's, we is now of five or six of these "defears conditioned to work during" who labored zealous-shows that they labored effectively. Not the truth is, a bargain and sale was effected between some trading Republicans and the Democrate lear ders, by means of which a portion of not been recovered the communicacourse in regard to Mr, Spencer, the tion between England and America candidate for Secretary of State. would have been interrupted for a While they acknowledge he was not considerable period of time on five ocguilty of any intentional wrong in casions. the Republic of Columbia, to the effect that his interviews with the AT Frederick, Maryland, on Thurs specting the Isthmus, Canal project, are very favorable. The Cushing treaty for the canal wasility received by the Columbian Science, because President of that government, reday October 14, large crossis received the President. Col. W. P. Manby warmly welcomed him in a speech and expressed the thanks of the multitude for his presence on this occa-sion. The President replied: "I "I the country was shorn of too many have great pleasure in visiting for the privileges and requisites. Another one will be framed on a more liberal first time the city of Frederick, of which I heard so much during the basis.

A FULL investigation into the case stood up manfully for the mainte of the Cuban steamer Hornet, now in nance of a whole Union. I expected possession of the United States Mar-

to visit this city some years ago, but shalat Wilmington, N. C. will defound myself unable to do so; but velope some new and interesting now that I have found so many features of the proceedings of the infriends, and been so gratified with surgents, but will not disclose anything relative to their attempts at oyed of your hospitality, I hope at diplomacy. Among other matters, Three cheers for the President of it will be discovered that the Hornet the United States were heartily given, when the President repaired to the and presented to the Cubans by a Committee room and received the distinguished New York capitalist. multitude, shaking hands as they soy to accept a present, of equal nominal value, in Cuban bonds. It is not

son, who had Killacky arrested and arrest for rape on the high seas, which officials may be found to be implica-CAPT. George Wentworth, .whose held him in \$5,000 ball to answer the charge. He was reprint anded by the Judge in the severest terms. His only excuse was that he arrested Doine only excuse was that he arrested Delss as a suspictors character. Mr. Simpson President of the Board of Return Judges, is not so as a suspicious character. Mr. Simpson President of the Board of Return Judges, is not so seriously injured as at first reported. Winner resulted in fully committing him for trial before the United States District Court in April next. The penalty being death, the offense is not ballable. Winner resulted in fully committing it will not appear, under any circum-states, that Mr. Lemus or any mem-District Court in April next. The ber of the insurgent legation here in an indirect seriously injured as at first reported.
