wordding, when Mrs. Delancy, who was expected to be present, might carry her home with her. So Margie was one of the wedding guests, and not only that, but one of the bridemaids having been prevent-cal from coming, Margio was selzed upon to fill her place. Her plen that she had no white dress was langhed at—a vapory "tulle" of Sue's was ta-ken ig a little here and there, and found to fit her admirably, and Eu-mic chapped her hands with delight, as she saw how lovely the little 'snow maiden' looked with her white robes and a silver arrow in her curls. and a silver arrow in her carls. When the wedding ceremony was over, Mrs. Delancov raised her eye he became boisterous, and afflicted plass, and said graciously, Mrs. Elli-with a mania to raise somebody's their lives that closed and circled

over, Mrs. Delancey inised her eye glass, and said graciously, 'Mrs. Elli-vith and and graciously, 'Mrs. Elli-with a mania to rulse somebody's hair; but was deprived of that play-naid with the remarkably beautiful hair and complexion—the young lady next your daughter Allce?' and Mrs. Elliott, who had learned—no one knows how, but she knew every-thing—Mrs. Delancey's intentions with regard to her orphan niece, an-swered by leading the young lady forward and smillingly introducing her as 'Your niece', Miss Margaret.' Hopburn, Mrs. Delancey': Mrs. Delancey's intentions with regard to her orphan niece, an-swered by leading the young lady forward and smillingly introducing her as 'Your niece', Miss Margaret.' Hopburn, Mrs. Delancey': Mrs. Delancey, was a little taken aback, and sho resolved in'a moment as she kissed 'Margaret' with much show of affection, she was thinking deoply. She continued with the same train of thought afterwards, when she watched Margie attracting the admiration of the whole county, for the sleighing was fine, the moon brilliant, and Col. Elliott's house a browerdelly deliver by leading the whole county, for the sleighing was fine, the whole county brilliant, and Col. Elliott's house a browerdelly deliver by leading the the hought sof which 's seemed brilliant, and Col. Elliott's house a browerdelly deliver by house the key house a browerdelly deliver by how of affection in the whole county, for the sleighing was fine, the whole county brilliant, and Col. Elliott's house a browerdelly deliver by how of affection was instantly shot brilliant, and Col. Elliott's house a browerdelly deliver by how of affection was instantly who in guard over the prisoner conspired browerdelly deliver by how of the brief whole with which his wise the whole whole brower at the hought in which his wise the whole with brower by how how by as the whole whore a grand over the prisoner conspired to lead to each man the non the stering with the finder moon brilliant, and Coi. Ellioit's house a proverbially delightful place. She listened to Margie's levalusite voice, her sweet, grucefit manners, and came to a conclusion. Here was a beauty of the first order—a girl whose five alone was an ainple fortune. She was not to be kept in the back-ground, hid away in the dingy schoolroom, but must be 'brought out' with all the increased lustre that a beautful setting could give to a diamond of the first water. She must add to the family grandeur by making a brilliant math, and Mrs. Deduncey's heart beat high when she saw that alreaday the first 'catch' in brilliant, and Col. Elliott's house a on guard over the prisoner conspired the giants of old. saw that alreaday the first 'catch' in known war cry, sprang forth from the room, John Winston, wealthy, distinguished, accomplished, and hands of the guard posted in front, devoted attentions upon her heautiso the Fates-not always cruel-willed that Margle's Christmas holi-New Mexico. Magnus Colorado left two sous Magnus Colorado left two sons, t wilked that Margie's Christmas holi-days should be a dream of splendor and gayety—of lovely new dressess of parties without number, and ad-miration without end, till Margie's fittel liend would have been turned if all these things had not charmed her less than the light in one pair of dark eyes, and the low tones of a voice that was dearer than all the world besides. That was a gay winter in—ville, and the next summer was fully as pleasant and eventful. "Inve you heard the nows, Jim?" asked Mr. Cross, driwing up histean before the smithy, one sumy morn-ing in June.

mit of their recognition. But what FROM A DIARY. About one hundred miles west of FROM A DIARY. About one hundred miles west of Fort Craig on the Rio del Norte is a high range of mountains, called the Jicarilla range—a spur of the Rocky Mountains—that runs from north west to south enst; nearly the whole west to south enst; nearly the whole range is destitute of growths of any kind; its sides are cut up into many chasms, small valleys, deep gloomy t canons; and high rocky ridges. The highest peak of the range is called Cook's peak, a rough, irregular mass of rocks that stretches toward, the clouds as though longing to overtophad become of the balance of the par-

aught that would lead them to expect an attack from the Tidlians, but knowing their cunning foe too well and often serves as a guide to those they were not thrown off their guard traveling over the plains who have by the quiet aspect of affairs, but as
