THE Committee on Ways and Means on Friday last refused by a tuminous coal free. They rejected a motion for fifty cents per ton by a vote of three against five. The prolost by a tie vote. Coal, therefore,

SECRETARY BOUTWELL approves of the bill reported by Senator Shercirculation \$45,000,000, and retiring certificates, and also the section in the bill allowing national banks to be established on a gold basis.

Last week's Radical was almo-State Treasurship. At the last moment, however, "stern necessity" required this cruel paragraph to appear in that sheet: .

"Ntate Treasurer.—The bolt on the

THE Virginia bill reported by the Reconstruction Committee in the House is a compromise in its character, and will probably pass both wings of the Republicans in the House, and while it is not quite as liberal as they desired, it is so much better than they expected that the Virgula Legislative Committee of nine, now at the Capital will fully endorse it. The oath presented in the bill wil exclude but a single member

ica makes it tolerably clear that, in sidering the negotiations for the leasing of the Bay of Sumana, or any of Kuther Abraham, we fear, is poking the negotiations with President Bacz, fun at our neighbor when he talks it would be well for Congress to bear in this wise: this fact in mind. We can, of course, "whip" the Dominicans, or any oth-crenemy who dares to fight us; but still fighting cannot be called a matter of economy or pleasure.

sylvania Railroad company, the following, taken from his paper of last week, should be recommended by physicians to their dyspeptic patients. Under all the circumstances, the man or woman who can' read this extract without laughing all over, is in a hopeless condition in-

decel:

This escape has no lesson more valuable than this; that the liberties of the people are in perpetual danger from this tremendous monoply, the Pennsylvania Rail Road; that fighting it is fighting the battle of the people. And that either its power or our own right to self government must fall. Believing this sincoerely, and seeing it as clearly as noon-day, we here and now commit The RadteAL to a war on this dangerous foe to the State is "unrelenting" as the cause of the people. as "unrelenting" as the cause of the pro-ple may require and as bitter as the indigtion which its outrageous interferance affairs foreign to its interests, has

THE friends of Mr. Mackey, here and there throughout the State, are denouncing the fifteen Republicans Is biles indeed, yet it but serves to strengthen who supported General Irwin on last I Wednesday for State Treasurer, as "bolters," They were "bolters" in no sense of the term." They went to Harrisburg instructed by their constituents, either expressedly or impliedly, to resist Mr. Mackey's reelection. Ascertaining after they reached the Capital that Mr. M. and his friends had the thing so arranged that his nomination by the caucus was a foregone conclusion, they neither went into the caucus them? seives nor meddled in any way with its proceedings. Their determination to have nothing to do with the prearranged caucus was well know in Harrisburg for a day or two before itthe efforts made by the treasury ring

Items and Humors of the Irwin-Mackey Contest.

On the receipt of the news in Bea ver that Gen. Irwin had been elected State Treasurer, on last Wednesday evening, quite an excitement prevalled for some time. With the exception, of perhaps a dozen of persons (the Radical employees and two or three others), the whole town was jubilant, and heartily glad that the Treasury Ring had been smashed be yond all hope of being welded together again in the future.

The people of New Brighton and vote of two against six to make bi- vicinity, without distinction of party, were similarly affected; and, since then, their gratification has manifest ed itself in cheers, the firing of cannor position for one dollar per ton was and illumination of their dwellings A prominent gentleman of this lo-

cality, whose business takes him al most constantly into the rural districts, told us a day or two ago, that he had not "met with a man, woman, man, increasing the national bank child or dog" but felt good over the defeat of the Ring by General Irwin. the same amount of three per cent, They did not regard it simply as a triumph of one of our own citizens, filled with abuse of General Irwin the people over a band of the boldest and the details of his defeat for the corruptionists that ever cursed this or any other State.

On last Wednesday evening, when it became known in Beaver that Gen Irwin was elected State Treasurer, O. P. Wharton, the associate editor of State Treasurer has been successful.
Mr. Mackey the caucus nominee has been defeated by Gen. W. W. Irwin by a vote of 70 to 61, all the Democrats voting for Irwin. It is a case of bargain and sale of the most afroclous character. The details will be forthcoming hereafter. the Radical, declared to several per- following strictures on this feature of sons that it was Quay's influence that the scandal, premising that we fully n Mackey's defeat were deceived, for attention of Mr. Mackey is particularly called to Mr. Wharton's statement. The former might do a worse act than to give the matter his special attention.

Senator Rutan, one day last week wrote to a person in this town, that L'egislature would vote for General but little, "for," sald he, in substance: "Mackey will get as many Democratic votes as Irwin." From this it would seem that Democratic affilideal of fighting on hand, which will election as it appeared afterwards.-

Master Quny.—"Where is he, and where was he on Wednesday? And where's his slate? Did he fall and break

d ming, but it is no inflore that the settled bellef and fixed will of the people.

The Case of Mr. Cooke.

As the Rev. Hornee Cooke's recent elopement with a young woman of a leopement with a young woman of its congregation is just now attracting considerable attention, we will state the facts assuccinctly as possible.

He was a Methodist preacher of good repute for piety, learning and elopement of piety, learning and elopement with a young women of repute for piety, learning and elopement with a young women of the same for published in the clarify opinion of the same I have read with careful attention

by leakage and evaporation on the canal fed from the summit having been during the dryest month, 792,000 cubic feet per day less than was originally estimated.

of 144 boats, in actual practice, where so many would be passing as herein assumed, would not be equivalent to one lockful for each boat, because it must necessary be in such a trade that in most cases as one boat passed out another from the opposite direction would pass in, thus empting the lock only once in passing two boats; but taking the very liberal and perfectly safe allowance of Mr. Reed, of a lockful for each of the 144 boats the enlarged locks being 130 by 20 feet, and averaging 7 feet lift, there would be 18 200 for one lockage was all bridge and officially declared the former elected State Treasurer, there would be 18 200 for one lockage was all bridge and officially declared the former elected State Treasurer, there would be 18 200 for one lockage with the service of the 144 boats the enlarged locks being 130 by 20 feet, and averaging 7 feet lift, there would be 18 200 for one lockage. boats the enlarged locks being 130 by 20 feet, and averaging 7 feet lift, there would be 18,200 for one lockage

ed only from experience. With Conneaut Lake and the Pymatunamount be required at some distant period in the future, it can be secured at moderate cost of reservoirs on the

hoad waters of French creek, as we

[From the Correspondent of the Pin. Com.] ELECTION OF STATE TREAS-URER,

that all the contested scats will be decided adversely to the Republicans, and that the Metropolitan Police bill for Philadelphia will be defeated. Charges that money was used are freely made by the Camerolians, although they are of the most vague description. On the other hand the Senators and Representatives who refused to accept the caucus nomination, indignantly deny all assertions on their integrity, and especially the intimation that there was any collusion between them and HARRISDURG, PA., Junuary 12, 1870. First ballot—no choice. Mackey, sixty-two Daniel O. Barr, fifth five Bishop Singson, one; Irwin, twelve Henderson, one; Shoemaker, one. Billingfelt and Kerr of the Senate

eubic feet per day less than was originally estimated.

Mr. Reed, in his paper now under consideration, adds one fifth to the daily loss from evaporation and leakage for an enlarged canal, and knowing all the circumstances perfectly. I regard this as liberal and ample. This allows for the leakage and evaporation 6,480,000 cubic feet per day.

The lockage water for the passage of 144 boats, in actual practice, where so many would be passing as herein assumed, would not be equivalent to one lockful for each boat, because it must necessary be in such a trade that in most cuses as one boat passed out another from the opposite direction would pass in, thus empting the lock only once in passing two boats; but taking the very liberal would terminate from preceding index of the surpathics of the surpa

tlemen represent that make Pennsylvania a Republican State. I annex a list of fifteen Republican Senators and Representatives who, on this question, seceded from this caucus nomination.

James Kerr, of Butler; M. B. Lowry, of Eric; F. W. Ames. of Crawford; F. W. Ames, of Crawford;
C. O. Bowman, of Erie;
A. J. Buffington, of Washington
Geo. Corny, of Luzerne;
David Craig, of Lawrence;
Abraham Godshalk; of Lawrensete
E. B. Herr, of Laucaster;
Alex. Leslie, of Butfor;
C. W. Marsheyer, of Lawrence; G. W. McCracken, of Lawrence;
D. B. McCrary, of Erie;
A. C. Iteinchi, of Lancaster;
E. A. Wheeler, of Mercer;

John E. Wiley, of Lancaster. Billingfelt, who was absent from the convention, although in the city is denounced by the Telegraph this evening with the same vehemenceit showers upon the members who vo-ted directly for Irwin.

To night the election is the only

To night the election is the only topic of conversation throughout the city. It has created a profound feeling, and all manner of stories are in circulation as to the motives and inducements that prompted the division. Mr. Mackey, overestimating its importance, says it is a heavy blow to the Republican party of the State: that it was the result of a bargain and sale between the bolters and Democrats, and that its effect will be and sale between the bolters and Democrats, and that its effect will be the ascendency of the Democrats in the state Senate by the alleged defection of Lowry, Kerr and Billingfelt; this be beat? Westmoreland county, one day last week killed a cran certainly descrying of praise. Let us see the work pushed promption of Lowry, Kerr and Billingfelt; this be beat?
