> taking care of the fair sex-and I have often said it became necessary that if they should vote, I would like to leave the abroad,' and particularly is this true of country for ten years. But the Woman Suffrage Convention that has been in Session for the past three days, has given your correspondent an opportunity to learn more of women than he has ever THE SECRET OF THE ALIMA'S SUCCESS learned before, and briefly but candidly, he will give your readers a report of its proceedings. On the first day of the Sesblool-vessel, and as long as thes; blood-

sion, the convention was addressed by Miss Anthony, Mrs. Davis, Mrs. Wilmer of New York, Mrs. Cozzens, (the law student of St. Louis) Senator Pomeroy and others. On the second day, nong the speakers, were Mrs. Griffing Mrs. Townsend and Rev. Olympia srown, each showing themselves master of the subjects they discussed. During the day a voto was taken, and out of some tifteen hundred present, only fifeen or twenty had courage enough to rise and voto negatively on the Woma uffrage question.

On vesterday the convention closed its bors and its chief actors are marshal ing their forces for the meeting of Con sessional Committee to-day in regard to a Sixteenth Amendment to the Con titution of the United States, which proposes the enfranchisement of all wo men in the United States. But first as an experiment on the experimental grounds, the District of Columbia, a bill is propose I for the enfranchisement of omen. Let it come; the experiment

of first enfranchising negroes in the District was successful, and why not make it the experimental grounds for the benefit of the fairer sex.
