was 25,000,000 gallon; now it is not more than 6,000,000 gallons. The par-chases of licenses by companies began in Gottenburg in 1804,and in 1807 the

and two Fx in the thinduleys. The force of cheapness can no further xo.

THE WERKLEY TRIBUYE is the paper of the people. Here the eager student may learn the last lessons of science. Here the scholar may read reviews of the best books. Here may be found correspondence from all parts of the weak, the observations of sincers and gilled men, who serve THE THIBUNE is almost every country.

THE THIBUNE is almost every country as the tribute of the country and the tribute of the country. The THIBUNE has the largest creatistion of any new paper in the country. For years we have printed twee as many papers, perhaps, as all of the other weekley editions of the city dalless combined. This is why we are enabled to the our work so thoroughly and cheaply. The barder four creations, the better paper we can make!

every suscertiser reacts his subscription, and urge his neighbor to do the same. If a man cannot at-fard to pay two dudars, let non-raise a club, by inthem has neignostif to sa oction; and we will enu lim a copy grapping his traction and No new aper go large and complete as take. We have

THUMS OF THE WHEELY THIBUNE.

The New-York Semi-Weckly Tribune is published every Tulesday and Friday; and being printed twice a week we can of course, print all that appears in our weekly edition, including everything on the subject of Agriculture, and can add much interesting and (valuable matter for which there is not sufficient from in The Weeklay Trinnens. The Semi-Wecklay Trinnens also gives, in the coines of the year, there or four of the IEST AND LATEST POPULAR NOVELS, by Irving anthors. The cost of these alone, if bought in book form, would jibs from six to eight dollars. Nowhere clee can so much current intelligence and permanent fliterary matter be had at so cheep a rate as in [FIII SEMI WEEKLY Thit.]
