A resolution to cansider Indian treaties in open Benata hereafter, was adopted. Among the bills passed were the follow ing: One for appropriations to Wes at Fort Snelling, one following certain persons from political disabilities. Ex-House.-A resolution was discus-

for the abolition of the Franking privil ege in the Daily Globe; and, during the debate it came out that the cost to the country of the publication of that paper was from \$1,200 to \$1,300 per diem. The resolution was laid on thet able. A resolution to pay the family of the late Sec retary Rawlins one year's salary, passed SENATE, Feb. 9.—Resolutions were adopted calling for information as to th action of any of the departments relative to the claim of the Union Pacific Railrea for bonds or lands in aid of the road, ar directing the Judiciary Committee t inquire into the reorganization of th Georgia Legislature. A number of billi were reported. After Flengthy speech from Mr. Morton on the subject of our neutrality laws, the bill was referred to

neutrality laws, the bin was referred to the Committee on Foreign Relations.— The House census bill was taken up, and after some discussion, laid on the table. House.—The oath of oillee was adminministered to John Covode of Pennsy vania. A bill for the relief of certain settlers on public lands in Iowa was passed. Also one to enforce amendment troduced was one authorizing the sinking Fund Commissioners to lend out all
went into committee of the whole on the Legislative bill, and without disposing of it, rose, after several amendments had been rejected. A resolution was offered calling on the President for any info William Geegan, a Passionis Father, of St. Paul's Monastery. Subject: "The Bible." The Rev. gentleman is an Irishman who has the reputation of being a ripe scholar, logical reasoner, and an eloquent man. It is presumed the community may expect to obtain from his promptly on hands and took the parties in charge. Do it more.

Considerable of a row was raised and debt with the proceeds. The bill allowing railreads to lease or Become lessees the Government in reference to the resemble to the resemble to the resemble to the Government in reference to the resemble to passed finally. Also, the bill to incorporate the Petroleum railread Company. A bill relating to attachments, and a supported murder of American citizen at Havana, Cuba.

Senatz, Feb. 10.—The bill making appropriations to supply the deficiencies in the appropriations to supply the deficiencies of liens against unpatented lands, extensions to supply the deficiencies of the resemble to the resemble to passed finally. Also, the bill to incorporate the Petroleum railread Company. A bill relating to attachments, and a support and the company of liens against unpatented lands, extensions to supply the deficiencies of the present year was massed. A for the present year was passed. A lengthy discussion occurred on an amendment to the Mississippi bill; and, nothing was accomplished save the vent-ing of bad feeling among Senators. The they continue to neglect their duty for the purpose of badgering each other. House .- The floor was by maning consent given to John Kitts, who was NOTIONS IN GREAT VAborn in Pennsylvania in 1762; was soldier of the Revolution; witnessed the surrender of Cornwallis at Yorktown and had also served in the war of 1812 The old gentleman was soon surrounded by members with whom he chatted in a lively and intelligent manner, showing but slight indications of extreme old age. The Committee on Public lands was in structed to define by law the meaning of 'swamps and overflowed lands.' A res olution was adopted for information from the Secretary of State why Spain had no paid the interest on claims of American citizens in coin, in-compliance with the treaty of 1834. The Legislative appro

priation bill was then taken up and dis cussed at great length without arriving at any con another. Butler and Cox had a sharp SENATE, Feb. 11.—Several bills were reported from Committee; one to en large the public grounds around the Capitol passed. A preamble and resolu-tion was offered for the recognition of belligerancy of Cuba, which after some debate was referred to Committe. The Franking privilege was discussed unti the close of the morning hour. The bill for the admission of Mississ Hopkins, of Wisconsin, was announced

and after the passage of the usual res lutions the Senate adjourn House.—A number of bills were in troduced and referred. The Legislative appropriation bill was taken up and dis cussed with a view to the reduction o expenses. They are trying to abolish the Globe Legislative Reports. The posi-was announced, and after the adoption of the usual resolutions the House adjourned

(Written for the Beaver Argus.) HOW I LEFT LIBERIA. BY DR. LOUIS DE SILVA.

It has been my fate during my rather eventful career, to be occasionally rocked on the dominions of Father Neptune. Not like Ulysses in search of Penelope constitution of the United out distinction of party or creed to meet out distinction of party or creed to meet in conventiou in Canonsburg, on Tuesday the 15th day of February, at 2 o'clock, p. m. Able speakers will be prosent to address the meeting.

The bill allowing writs to be printed to be printed of error in cases of murder and felony was also vetoed. It was got up for the purpose of relieving Dr. Shæppe, who was convicted for murder last fall. No hills of a public character were passed.

The bill allowing writs beard of a man of war belonging to the purpose of relieving Dr. Shæppe, who was convicted for murder last fall. No hills of a public character were passed.

The bill allowing writs beard of a man of war belonging to the purpose of relieving Dr. Shæppe, who was convicted for murder last fall. No hills of a public character were passed. but in order to prevent the exportation of the sable element by Spanish and we halled with enthusiasm the banner of we naticed with entities and the banner of the Free Negro Republic of Liberia. President Roberts, although a pure Af-rican, is a man of rare talents, owing his education to the missionary board; we were warmly received by his excellency who offered us the hospitality of Washington Hall—the White House of those realms; still an ardent desire to reach cooler regions, and to join a Fench ves-sel made me resolve to find the means to effect the purpose, as our exchequer was in such a state that the most powerfu of 34 and one of 500 pounds. None of the pounds, dressed eight Aussired and screenty pounds! Who can equal this?
