Constitution Bittens,-This is the name of one of the best preparations in the line of Bitters now before the public. It is a perfect cure for dyspepsia, fever and ague, acidity of the stomach, loss of appetite, nausea, heart-burn, jaundice, a all diseases arising from disordered state of the stomach, liver or intestines. They are a superior article, and those in need of an invigorating tonic should at once procure a bottle of the Constitution Bitters. It is an invaluable preparation, and its use never fails to be attended with the happiest results. Our readers should buy this medicine in preference to all others. It will be sure to do them good. Try a bottle and be convinced.-Jackson Citizen.
