INFORMATION Is received by Vincent Colver from Gen. Grierson, commanding the Department of Indian Territory, that the larger part of the as we find them reported in the Pitts-The Indians do not commit as many depredations as formerly.

THE Commissioner of Internal Re-Livenue was informed on Friday that ien. Bennett, a former supervisor of North and South Carolina, and one Loring, an accomplice, were arrested nt Atlantic City, Iowa, on the 14th instant, by Gen. Clarke, U.S. Marshul for Iowa, and taken to Raleigh for trial for alleged conspiracy to defraud under the United States reve-

soldiers finished their labors in Washprovided for several important imgovernment of asylums and greater comfort and happiness of disabled

TWELVE colored members of the Georgia Legislature visited Vice President Colfax at the Capitol on last Friday morning. They were introthe Georgians made a short speech, setting forth the views of the delegation and expressing the hope that Congress would not give the colored citizens of their State into the power of rebels. In reply the Vice President frankly stated he did not believe the existing Legislature of Georgia could perpetuate itself, and said his sympathies were with the freedmen, and lie hoped to see them secured in their rights.

WILLE the Georgia bill was before took the floor and occupied the attenmany, persons in and about the capital anticipated this speech of the colored Senator, and the result was a full Senate and crowded galleries. The

no annuities or other benefits or goods for trial. from the United States, and the two other elasses to be converted. other classes to be composed of the half civilized and barbarous tribes, who will receive aid until sufficiently far advanced to be ranked with the first class. It is also provided that the country inhabited by the Indams shall be divided into four districts, each to have a superintendent, and also that as many agencies shall be established throughout the districts as many he processing to carry out the

ment, and go on a reservatian this spring. This will make an important change in the current of Indian affairs in the Northwest, as he is the most formidable chief of the Sioux, and the same of such persons who lend the same of such persons who lend the same of such persons who lend

The Grand Army Nearly everybody knows of the existence in this State of the loyal order of the Grand Army of the Re-public—few, perhaps, have an accur public--few, perhaps, have no accur ite and thorough conception of wha it is and what it intends to do. We It is and what it intends to do. We propose to briefly skotch the outlines of the work which the members of the Department of Pennsylvania have mapped out for themselves.

It is well known that during the latter part of last year a thorough reorganization of the order was effected. The dry branches were lopped off—nominal membership and the

off-nominal membership and membership of nominal soldier done away with, and the organiza-tion, although perhaps showing less on paper than this time last year, is in far more efficient condition and really on a far stronger basis. It is ow in working order.
At the annual encampment held

and the seed of the control of the station of the s

new work is to be undertaken. A committee of comrades has been appointed to look into the management of the schools for soldiers' orphans, established and maintained by the noble generosity of this Commonwealth, and to satisfy the order from personal inspection. This great work

efficiency and purity of the soldiers' orphans schools as the verdict of a committee of the Grand Army. committee of the Grand Army.
The Foundation during during the foundation of the first that the fact of the feet and when we say that it is headed by Major General John F. Hartrant we need not add that it will be well

done.
Another objective point of the exercions of the Grand Army is the extablishment of a State home for the district soldiers. In this effort every good citizen will feel prompted

to assist.
County monuments to the patriot dead are another specific object of the inbors of the order, and we are pleas-ed to hear the State Commandant announce that monument organization have been established already in nearly every county in the Common-

-About five years ago a young man employed as teller in a New York bank discovered upon settling from houses now in the hands of Cahoon's police, authorizing Mayor Ellison to call out the fire brigade as police, pledging the city to pay all special police sworn in by Mayor Ellison, authorizing the city court to be held in City Hall, and pledging Mayor Ellison the earnest support of the city council in his efforts to maintain the peace of the city against the lawless men conspiring against the lawless men conspiring against the been employed, found a gold cheek, signed by United States Treasurer Spinner, of the date and amount ed) of the alleged defalcation
