THE Darien ship canal treaty was laid before the Senate on Friday last. It is a very long document, and all the essential points have recently been given in letters from Panama. It is not likely that there will be any action on it at present, Ratification may take place at any time within 18 months. The President says the San Domingo and Darion treaties are parts of one policy, and we cannot get the full benefit of the ship canal inless we take San Domingo.
