Beaver, Ps., April, 20, 1870. The friends of Cuban independence have received letters stating the lahorers on the sugar plantations near Colon were obliged to abandon their work on account of the advance of a large body of insurgents, and that hausted that pretty thoroughly. the Spanish troops retreated; also, Smiling-"But quite true, that I did that the column of Spanish troops, under Goyneche, has been twice de feated and driven back to Puerto mending the removal of all disabili-Principe, and that General Jordan ties and I thought that a fitting occa is still in command of the patriots.

THE political waters are begining to boil in Allegheny county. A large number of prospective candidates are already looking up their friends, and we suspect that a very lively contest for nominations will occur there during the spring. Quite a number of ninent men are spoken of for the Prothonotaryship, among whom we may mention the name of Capt. Wm. B. Cook, a gallant soldier of the late war, and a promising young lawyer of Pittsburgh. He will go into the canvass with a host of warm personal friends to back him.

Washington and Beaver countles have no further use for Mr. Bullington,—Pittsburgh Gazette. ing under a mistake as to the estimation in which Mr. Buffington is held asked if it was true that he had a large their customers may expect to in Washington and Beaver counties. to send to Congress, and replied, We cannot speak from personal knowledge of his political standing in Washington, but we do know that both of the Republican papers of that reasons already stated. The message county have spoken in the highest terms of him as a man and of his was brief, urging Congress to remove course as a legislator. In this county, by a proper enactment, all disability our judgment is, that he has more imposed by the Fourteenth Amendour judgment is, that he has more friends to-day than he ever had in ment, under one simple condition, to his life; and if he is a candidate for wit: the appearance of all applicants re-election, we have no doubt but in open court and the announcement that he will not only poll our full of such desire. It will be seen that Republican vote, but will receive the disorderly classes in the South, the support of quite a number of who have given rise to much cause of complaint, have a great deal to honest Democrats in addition. answer for. It is probably, however

A RATHER startling rumor has crept out, in Washington city, indieating some imminent prospect of a difficulty with Mexico. It is known that the subject has been a theme of considerable discussion in the Cabinet. and it is supposed it relates in part. Mexican government but without figures, have sought to do'Mr. Kerr these frauds is reported to have been About the time, or since the adjournsomething enormous. The present ment of the Legislature the paid claqrumor seems to imply that the War uers of that ring "setup" and start-Department will next take a hand ed a story on him to the effect that in the solution of the question which while the Watt-Diamond senatorial has thus far eluded diplomacy.

A CASE has just been decided by the Supreme Court of Pennsylvania, Justice Sharswood delivering the opinion, establishing the fact that there is no prescribed from in which the benefit of exemption of goods from execution under theact of April 9, 1849, need be claimed, it being held to be sufficient if the defendant state it in such a way that the officer cannot or ought not to misunderstand it. In case of doubt whether the claim has been so made, the question is for the jury, and referring to the matter, Justice Sharswood held that the settled construction of the act of Assembly of April 9,1849, undoubtedly is, that when a defendant claims the benefit of the exemption provided by that law, he must elect to retain such articles as he desires. and such election must be notified to the officer at the time.

.IMMEDIATELY after Gen. Irwin's ed to inquire into the facts touching private individuals—capitalists—are election as State Treasurer, the organs of the Treasury ring were very free in making the charge that'in return for the Democratic support given to Gen. Irwin, his Republican friends in the Legislature were to assist the to lay Watt (Rep.) out, and put Diamond (Dem.) into his seat in the Senate. All this was to take place sure, according to their predictions; but the result shows that they were the very poorest of prophets. The Metropolitan Police Bill was not defeated by Gen. Irwin's friends in the Legislature, and it was the political friends of that gentleman who gave the contested seat in the Senate to Watt and not to Diamond, as the treasury cormorants alleged would bo done. When will we have prophceies from these sharp sighted, keen smelling fellows again?

THE more ultra Democrats, here body in due course of time. and there, throughout the country, feel disposed to kick against the enforcement of the Fifteenth Amendment. At the local election held in of the Chesapake and Ohio Rail-Circleville, Ohio, a couple of weeks ago, it was found that in pursuance waited for with considerable interest, of an arrangement made the evening before, all the Democratic election oftheer's had resigned, and irresponsible persons had been selected in their stead to receive the ballots. Then, when the colored voters made their appearance at the polls their votes were refused, and no redress could great trunk roads of the Atlantic then or since be had. These officers | const—causes this Loan to rank forealleging that a State law prohibited colored persons from yoting, and they had not yet been advised officially, of by the most prominent and successment, although the President's proclamation had been published some days before. About one hundred and marketed the largest railway loans fifty colored votes were excluded in this way, thus enabling the Democrats, as usual, to carry their ticket. Games of that kind won't always win.

THE Hon. Henry Wilson, in a lities they may offer. The intrinsle merit of the Bonds may be ascertainthat is discouraging, and an increase of drinking in some circles, on the whole there is great progress. There was five times as much drinking in Congress when been tered the Senate. fourteen years ago, as there is now. And those that now come into Congress from the South have not in the City of New York. They brought so much with them. Liquor shops are now banished from the National Capital. This is a new thing, and a great improvement. There are also six thousand pledged temperance men in Washington. Two thirds of the dram shops have also been closed. And he thanked God at 90 and accrued interest. that we have now a President of the Treasury who is a temperance man,

and dealers in government secur No. 5 Nassau Street, Now Yor E.

February 15, 1870. The remarkable success which attended our n gotistion of the Loans of the CENTRAL PACIFIC BAILBOAD COMPANY and the WESTERN PACIFI RAILEGAD COMPANY, and the nopularity and cree It which these Loans have maintained in the mar kets, both in this country and Europe, have show that the First Mortgage Bonds of wisely located and honorably managed Railrends are promptly ocogramed and readily taken as the most suitable isle, and advantageous form of investment, viold ng a more liberal income than can hereafter be lerived from Government Bonds, and available t take their place.

Assured that, in the selection and negotiation of uperior Railroad Loans, we are meeting a great nubile want, and rendering a valuable servicebeth to the holders of Capital and to those great National works of internal improvement whose in-trinsic merit and substantial character entitle them to the use of capital and the confidence of investors-we now offer with special confidence an atisfaction the

FIRST MORTGAGE BONDS OF THE Chesaneake and Obio Railroad Company.

The Chesapeate and Ohio Railroad, connecting the Atlantic coast and the magnificent harbors the Chesapeake Bay with the Ohio river at a point of reliable navigation, and thus, with the entire great West and Southwest, torms the additional East and West Trunk Line, so the immense and rapidly growing transportation outween the Atlantic seaboard and Europe on the ne hand, and the great producing regions of the Obio and Mississippi Valleys on the other.

The importance of this road as a new outlet from he West to the sea magnifies it into one of national consequence, and insures to it an extensive through traffic from the day of its completion; cultural and mineral resources of Virginia and West Virginia, it possesses, along its own line,

which demand the completion of the Chesopeake and Ohio Ratiroad to the Ohio river, afford the render Mike most important and substantial Railrdad enterprise now in progress in this Country.

awaiting its completion, have drawn to it the at-

Richmond to the celebrated White Sulphur Springs 200 miles (now partially constructed) to be completed to carry it to the proposed terminus on the Dalo river at, or near the mouth of the Big Sandy

Lines are now projected or in progress through Onto and Rentucky to this point, which will conneet the Chasmenke and Ohlo with the entire Railroad systems of the West and Southwest, and with the Pacific Railroad.

Tra valuable franchises and auperior advantage will place the Chesapeaks of Ohio Railroad Comkey among the richest and most powerful and atworthy corporations of the country; and there exists a present value in completed road, and rark done, equal to the entire amonat of the

The details of the Loan have been arranged wit pecial reference to the wants of all classes of in-McDonal's Wm. helrs, 1 lot adjoining Thos Kerr, No. 4. restors, and combine the various features of cor venience, safety, and protection against loss

The Bonds are in denominations of

\$1000, \$500 and \$100.

They will be lessed as Coupon Bonde, Rigable o Hearer, and may be held in that form; or The bond may be registered in the name of th owher, with the coupons remaining payable to hearer attached, the principal being then tran ferrable only on the books of the Company, unless eassigned to bearer; or The coupons may be detached and cancelled, the

bond made a permanent Registered Bond, transferrable only on the books of the Company, and the interest made payable only to the registered owner or his attorney.

The three classes will be known respectively a 1st. "Coupon Bowls payable to Bearer." M. Registered Bonds with Compons attached. 21. "Registered Bonds with Coupons detach ed," and should be so designated by correspond cuts in specifying the class of Bonds desired.

They have thirty years to run from January 15, 1570, with interest at six per cent per annum payable in gold in the city of New York.

The interest is payable in May and November that it may take the place of that of the earlier ismes of Five-Twenties, and suit the convenience of our friends who already hold Central and Wes tern Pacific Bonds, with interest payable in Januarv and July, and who may desire, in making

celvable at different seasons of the year. The Loan is secured by a mortgage upon th entire Line of Road from Richmond to the Ohio river, with the equipment and all other property and appurtenances connected therewith.

additional investments, to have their interest r

A Sinking Fund of \$100,000 per annum is prorided for the redemption of the Bouds, to take effect and red after the completion of the Roads The mortgage is for \$15,000,000, of which \$2,000. 200 will be reserved and held in trust for the re demption of outstanding Bonds of the Virginia Central : Railroad Company, now merged in the Chesapeaks & Ohio.

Of the remaining \$13,000,000, a sufficient amoun will be sold to complete the road to the Ohio river erfect and improve the portion now in operation and thoroughly equip the whole for a large an active traffic. The present price is 90 and accrued interest.

A Loan so amply ecured, so carefully guarded and so certain bereafter to command a prominer place among the favorite securities in the mari ets. both of this country and Europe, will be a once appreciated and quickly absorbed.

Very respectfully, FISK & HATCH.
