Dispepsia- Indigestion.

The subject of Indgestion has attracted much attention, because it has ever been a difficult disease to treat.

It is characterized by a great variety of symptoms, the most prominent at the first state of the symptoms, the most prominent at the times and place designated below.

ing the State and County its at he times and places design as the times and places design at the times and places design at the times at times a

It invol around my rooms a Al. Xas view do Maistre may be supposed to whistre may be supposed to have done, in search of some appropriate token of steem, which I may convey to Mr. Levis, in order to induce him to advance the requires.

In this choice it is necessary to excretise discrimination. For instance, I know it will never do to be present my stamped velvet waisteen three times running. And that if a before my would not walk upon it, but fire the strength of the stance, I know it will never do to be present my stamped velvet waisteen three times running. And that if word to have done in the result of Mr. Levis continuation. Continual partial upon him and my credit be impaired. Variety is necessary to persons of Mr. Levi's position. Continual partial of the traditional five dollars to need the expenses of a forthermial to present me with the longed for the traditional five dollars to need the expenses of a forthermial for present my forther and partial edges of the traditional five dollars to need the continual partial partial forther than the expenses of a fortherminal for present my forther and partial edges of the traditional five dollars to need the expenses of a fortherminal for present my forther and the first glance from the region of the traditional five dollars to need the expenses of a fortherminal forther than the continual partial probability of the present day. There was a first may forther an analysis of the present day. There was a first may further the forther than the continual partial probability of the many and my rediffered the forther than the continual partial probability of the many and my rediffered the forther than the continual partial probability of the many and my rediffered the present day and the rediffered the forther than the continual partial probability of the many and the first glance of the rediffered the forther than the continual partial probability of the many and the first glance of the rediffered the first glance and the forther than the continuation of the forther

If you are suffering, or anyo suffered from involuntary discharges, what effects produced on your general health? Do you reliveak; debilitated, easily thred? Dees a little extra extertion produce palpitation of, the heart? Does your livre or urinary organs, or your kidneys, frequently get, out of order? Is your urine sometimes thick, milky or flocky, or is it ropy on settling? Or does a thick scum rise to the top? Or is there is sediment at the bottom after it has stood awhite? Do you have spells of short breathing or dyspepsia? Are your howels constituated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, moping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restices? Is the fusite of your eye as brilliant? The bloom on your speks as bright? Do you enjoy yourself in socaetyas well? Do you give a simile that the bloom on your speks as bright? Do you feel as sinch confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not by it to your liver of dypepsis. Have you restifes slights? Your back weak, your kneec weak, and have but little apperite, and you attribute this to dyspepsia or liver compilant? Millinery Goods,
