Thursday evening, Sept. 22nd. 'WHRURAS: Death has again visited our eircle; and we have thereby been bereft of a brother und companion, who had endeared himself to all by his kind and gentlemanly demeanor. And whereas the manner and suddenness of his

death has cast a gloom upon all. THEREFORE, Resolved : That while we humbly bow to the will of our Heavenly Father, who doeth all things well, we at the same time deeply feel our becavement in this loss by death of another member of our order.

Résoluce: That while we lament the loss of our brother, we are also réminded by his death that "man is mortal," and that we should so live, that when the summons comes for us to depart, we may be prepared to join our Chief on
