withholds further opposition to the measure, and permits it to become a

The Beaver Argus. J. WETAND, MINTON AND PROPRIETOR. Beaver, Pe., Dec. 7, 1870,

CONGRESS met on last Monday. If nothing "breaks" in the meantime, we will lay the President's message before our readers next week.

In Canada all women, whethe wives, or widows, who pay taxes in there own right, are entitled by law to vote for school inspectors. The Detroit Western Catholic assorts that they exercise their right on election days, without hinderance, and are treated with the greatest respect. of so mighty a race as this should be

THE Washington Reporter in sllud. ing to the candidacy of Mesars Mack. granted this strange preservation?" ey and Coleman for the State Treas. urership says "as between Mr. Mackey and Mr. Coleman, in one point of view, the public need not care a conimbedded deep in the earth under tinental. Both belong to Cameron, the roots of some old tree, and also body and breeches, and the election of an infant Cardiff Glant exhumed of either would be a triumph for Siin the same locality. Report says non."

they were planted abont one year ago, and it is high time they were dug up ie daily at Pittsburgh-made its appearance on last Thursday. It is people of the United States, therefore, 'THE PAPER'-The new Democratabout the size of the Commercial, and need not become unduly excited, if within the next few months, a very respectable race of Cardiff giants, has an inviting appearance. Its edltorialsare well written, and the telemales, females, and infants, make graph is very freely used by its pro their appearance in our midst. At prietors. We wish "The Paper" fiall events it won't hurt to be on the nancial, but not political success. look out for them.

YERGER, the Mississippian, who murdered Col. Crane, a U.S. military officer, eighteen months or two years Hitchman, an English physicist has murdered Col. Crane, a U.S. military ago, was finally prought to trial a couple of weeks ago, and sentenced to the Penitentiary for life. The report that he was tried by a jury composed entirely of colored men is con- it would afford the lawyers opporcolored jurors,

THE N. Y. Observer says that "some congregations regard it as an like to know how many congregations do not regard a sermon of that length as an affliction. A safe rule on this subject was once laid down by a distinguished English jurist, though not ex cathedra. Being asked by a young clergyman how long a sermon should be, he replied, "Twenty minutes, with a leaning to the side of mercy." COWPER in his "Tusk" states it rather differently. Speaking of the sermon of a first-class fashionable minister, he says :

"Just twenty minutes huddle up the work, And with a well-bred whisper close the scene

THE regimental bands in the Prussian army have something else to do besides making music for the men to march to. When a battle begins they are ordered to fall to the rear and keep guard over the knapsacks of their respective regiments. The only arms allowed them are swords worn at the side; and taking this fact into consideration, we are better able to appreciate the bravery displayed by the band of a certain regiment during a late battle. While engaged in watching the mountain of luggage intrusted to their care, three French cuirassiers and ten infantrymen appeared in the vicinity; doubt-

party. less confiscation intent. However, our martial musicians did not wait for a challenge, but sallied forth and captured the whole band and triaptured the whole band and tri-Ar fast the State of Illinois has a district a sufficient length of time.
