> And His Prices Will Prove Satisfactory to the Public

This book is a beautiful Octavo of 664 pages, embelished with 200 engravings, and a finely executed map of Dimbun, the signed and executed expressly for this work by eminent artists. It contains a full graphic, and truthful valement of the Gights, Secrets, and Seniations of the Gights, Secrets, and Seniations of the great Metropolis of the World. His ple fures are from Real Life, and yet so weird and romantie that it almost challenges one a creatility. It displays in bold relief the appalling solvery, of the poor, and the reckless luxury of the rich. The meal taipable look is market. Circulars and sample pages sent from Address, in Hartford, Olm.
