HOOFLAND'S GERMAN TONIC,

Wis complained for those not inclined to extreme bitters, and is introded for two in cases when some alcoholic stimulant is required in condection with the Tonke properties of the litters. Each battle of ite-Tonic consisted with pure BANTA CILUZ RUM, sight flavored in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreenble and pleasant to the palate and containing the medicinal virtue of the lifter. The price of the Tonic is \$1.50 per Bottle, which inany persons think too high. They must take into consideration that the atimulent used is guaranteed to be of a pure quality. A poor article could be furnished as schicager, price, but he it not better hopsy a little mone and have a guard article in A medicinal; preparation should contain, one but the just ingredients; and they who expect to obtain a cheap compound, and be begefitted by it will nest curtainly be cheated.
