Sec. 2. That all laws and parts of laws esident accepted the resignation and then tendered the office to Col. Forneyof the Press, who, after so tion, agreed to take control of it. His looking around for a spitable to fill this important station, has than he was elected for. chosen a member of the editorial

every person in this country has been laboring under the conviction that England, during our civil war, was at several times on the point of recognizing the Southern. "Confederacy." If we are to take a very prominent English politician's word for it, nothing of that kind was ever contemplated by the British Government. In the House of Lords on the 21st inst., Farl Granville denied that there was say truth, whatever in the statement marribed to Baron Von Gerolt, that Russian influence alone prevented like irrecognition of the Southern Confederacy during the war with the United States. He declared that as a member of the Palmerston and Russell Cabinots he could say that the proposition to recognize the South was a manuar even entertained. The every person in this country has been proposition to recognize the South was never even entertained. The Duke of Somerset confirmed Gran-
