towns and citics, which under judicion legislation, have become so popular and wasful. These orga od by the public at large, as they are of great practical benefit to every

Investigate the affairs of the Altaville Soldiers' Orphans' School, under charge of Gordon A Berry, who reserved a loan of \$5,000 from the Shife under the Act which obliged him to pay it back at the rate of \$250, per quarter, which he failed to do. The resolution was adopted, After the transaction of other business impulity, especially to mining and in which those concerned are alone in manufacturing districts, where large terested, the House aljourned. numbers of young men are employed SERATE March \$1.- The "Border Raid links" made is appearance in the nerative wagos. at requilar and re In the hope, therefore, of stimulating Senate to-day, in the chape of a petition of citizens of Chambon burg for cominquiry upon a subject of general inter est, the writer requests the use of your columns, for a brief notice of the assopenantion for property destroyed during the invasion of the Rebels. It was reciation above named. Its objects are ferred to a special committee. Several local bills passed. The local option bill -first-to secure a systemat profitable investment of weekly savings, was referred to, and the Committee said second--to grant loans to its m they would report as soon as they had bers, on easier terms than could possibly Intel be obtained elsewhere. The capifal stock is limited to twelve hundred (1206) shares, of the value of one hundred and day, many local bills passed, but none four (104) dollars each. The weekly asof interest to citizens of Beaver County ments are twenty-five (25) cents per share, amounting to thirteen (13) dollars per year, or sixty-five (03) dollars in five years. The Charter terminates when

years. The Charter terminates when each share shall reach the full value of one hundred and four (104) dollars, a period necessarily indefinite, but which both calculation and experience, wat-rant us in fixing at five years or less, illence interest ou deposity will average, say fifteen (15) per cent. The Board of Managars, consisting of a President, Vice President, Socretary, Treasurer, and nine Directors, negotiate loans, and when one hundred and four (104) dollars, or more, remains in the

(04) dollars, or more, remains in the (104) dollars, or more, remains in the Treasury unapplied for by members, they are required to seek profitable in-vestment for it.

They are required to seek protucts in the vestment for it. The Treasurer gives bonds for the faithful application of funds. Loans to members bear interest stark per cent upon the face of the loan, through the entire term, collected regularly, each week, with the assessments. Premum bids are received for loans, the highest having preference, but no bid is allowed above the maximum pre-mium fixed by the By-Laws. Security is restricted by the organic law, to first Bond and Mortgage upon Real Estate in the county of Beaver, un-incumbered, and in value, double the loan akked for.

inclinitered, and in value, double the loan asked for. For neglect or refusal to pay assess ments, a fine is im cosed, for the first week, five cents per share, for the second week, five cents per share, and an addi-tional five cents each week thereafter, until such neglect has continued for three consecutive months, when the there, one to incorporate "the Paper" company of Pittsburgh with the privi-lege of in creasing their, capital to one hundred thousand deliars. The Senate refuses to pass any House bills until consecutive months, when is forfeited to the Associa hs, when then a loan has been granted, and pe-tor refusal to pay interest and dues, atinues six months, suit is at once in-

[] House — The speak committee on Erle Marine the Bridge Source a bill appropriating \$30,000 to the Erle Marine the the trights in the peninsula which the State shall transfer to the United States. The joint committee on public printing adjourned ill, April 4th. SKRATE, March 22-Little of interest transpired. Mr. Rufan got his marriage registry bill reported. House.-The bill spitborizing the rail-

oad and coal corporations of Wyoming, r last ton years, it is conceded by all who heard bin on Saturday that he has nover shown himself to so guod advantage bo-fore. The investigation of the Ku-Klux outrages in the South has been going on it in committee for some time, and Mr. Shorman, true to his duits, has ther oughly probed the whole matter, and has found after most therough, earneat, and honest deliberation that the first du-les of the hourare to provide immediate remedy for the existing evils—Steven son; in his message while Governor of Konticky, says growing evils. In the course of Mr. Sherman's ro-marks in the Semate, he observed that all he required of the U. S. Government, is in the several States in the South --with which its powers were co-exten-ityo-as was exhibited in spirit of Mr. Storenson's message whon he was Gov-ernor of Kentucky. This remark of Mr. N.; was a broad-sider and it ways hoped that is would have the desided of Wayns and Linering contines to lease or consolidate, after it lengthy debate, was defeated by three futes. The Sen-ate public printing full passed without amendment. The Aligneny county fee bill, also passed. committee made a partial report on the Anthracite coal difficulty, which was ordered to be printed. A number of

Mr. S., was a broad-sider and it was et upon the Democrats when they ar alled upon to vote on the resolut

THE FUROR. Seldom has there been in legislati

bodies in this country or any other such a furor as was exhibited the other day in the House of Representatives. But for doubts that both factions were sincere in doubts that both factions were sincere in their opinious relative to the best mode of effectually breaking up the Ku-Kinx outrages in the South. Jut the idea of allowing their ambition for self agrand-izement, to throw them into personal quarrels on the ideor of the House, is ex-ceedingly impolitic and unbecoming the dignity of Congressmen. A correspon-dent has opportunities of knowing things bohind the scenes which thecoun-try at large have not the advantages of knowing, and I therefore feel the right to assume the privilege not to reveat to

the school. The scholars acquitted themselves in a manner that reflects honor on themselves as well as the beacher, whose unifring devotion in their bohalf as well is the cause of cdu-tample of energy whose sticks in a school and if biased with a biast well as the cause of cdu-tample of energy whose sticks in a school of energy whose sticks are unbounded, and if biased with 2 its and health will be aball chance to associate with in life. The excrement of the part of the teacher which clearly showed that while he was deepty intersetted lifes a mental column and in gnorance to bigher and nobler farms. Ho leaves the achool with the provide associate of all young men who are strugging up from poveril, and ignorance to bigher and nobler farms. Ho leaves the achool with the provide as a signal of an example of morality, and ignorance to all his patrons and the provide as the school with the provide as the school with the provide as the school with the provide as a signal to be achor the part of the teacher for which all as an example of morality, and ignorance to bigher and nobler for good wishes of all his patrons and the provide and induced as a party esponal missiles. The provide and the school with the provide as a signal concerts are unbounded. A man which will be an nonole of all young for an ignorance to bigher and nobler for move which fails has partons and the for many be happy and properous wherever

be as indicated herein, to be the whole matter go before the country for ventili-tion and discussion for the next mus-month?, there can be but little doubt that the people will connered his course in this is a very three great nexter with which he has been called to deal. There, can be be queries in the whole transac-tion... The manner of making up the Commission, the mes ack test as Com-missioners, and the absence of specific or particular instructions of specific or particular instructions of specific or allow that he is beyond a shadow of via-pleion of anything hering the color of unfairnes. The uniquerity of these elect ed on the Commission, were known to be on intimate terms with the hitterest op-putents of innextraor. This would tend WHORESALE HOUSE JOSEPH HORNE & CO. 75, 77 and 78 Market Street, PITTSBURGH. oments of annexation. This would be trainst the President. President's Letter to Speaker Illuine. There has been no meansiderable effort made to improve the public mind with the belief that the President desires to de

in Congress here until the return of the an Domingo Commission, and then thrus Shi froming commentation before them the question of annexation before the popular judgement can be davelope... No hing can be further from the President's pur-tion that the action backs indicated, as it one than the action above indicated, as it as used well understood by all who have caired to know the real facts as they ex besitive to know the training was they ex-bed and the confirmation of that it is known that the President has just written a let ter to 3peaker Blaine, in which he has al-haded to the deplorable condition of som of the Southern States as demanding the

immediate attention of Congress, and has expressed the opinion that—if the atten-tion of Congress could be confined to the

single business of protecting life and pro-perty there, where the civil authority has perty flucre, where the GWI authorny ma-failed to secure that end—the continuance of the session would be most desirable; but, if general legislation must be entered upon, there might be danger that this, the only measure, would be lost. Chret.

EDITOR ARGUS :- With your perm ionI will tell your readors howex-Sheriff Roberts came to be a member of the Fu company; Once upour a time the ex-Sheriff went out to his corn field and it so happened there was snow on the In walking around he came upon the tracks of what he supposed to be a very large coon. He followed the trail but a little piece until Mr. Coon took a stub. The Sheriff went back home, was reinforced by his boy, an axe, and dog, and together they for" that stub. The boy and dog were

put in position near where its top would fall, so they could "freeze up" to Mr. Coon as soon as he would reach the

round. It was but a little while until the tree fell and at once the dog and boy tackled the "varmint," but lo, and be old, the coon was too many (guns for both. The Sheriff seeing two of his party worsteil rushed in, and was about to give the coon an awful kick, when the latter seized him by the overshoo and down wont the Sheriff on the broad of is back, Just at this moment the Sheriff thought if "Dick Walton" had seen that performance it would have killed him. The Sheriff and his party, soor railied however, and made another charge on the coon and finally succeed-ed in killing him. His weight was 33 pounds. Don't you think, gentlemen of the Fur Co. that was some coon 7 Dur-ing the winter, the Sheriff caught two other coons in one tree, one of which was as black as a bear, and each of them weighed 16 pounds. By virtue of these coon hunting exploits, the Sheriff was unanimously elected a member of the Beaver county Fur Co., and for the pres-ent he is justly entitled to the belt. (OI. R. WALTON, Industry 19, March 25. charge on the coon and finally succeed
