Beaver, Pa., April 5th, 1871. A REPUBLICAN convention held at Washington, D., C, on the 29th to nominate a candidate for Delerate to Congress, and other territorial offices. On the first ballot Gen. N. P. Chipman received 44 votes for delegate to Congress and Frederick' Douglass 27, and 37 scattering. On the second ballot. General Chipman received a pulority of the whole vote and was declared the unanimous nomineubl the convention. - Bichard P. Merrick is the Democratic candi-

dite for the same office. ing his brief management. We trust the promise it gave of good results will not be arrested under the management of Mr. Colder. ...

FREDERICK DOUGLASS, as is wellknown to almost every person in this country, is a colored man of fine ting speakers to be found in the United

their attention to one of their Judges. The House of Representatives of that State, on the 27th adopted articles of impeachment against Edmond W. Jones, judge of the Second Judicial District. Article one recites charges of drunkenness and disgraceful conduct in Raleigh; article two, same offenses in Goldsboro; article three, same offenses in Tarboro; article liamston, Martin county, where he convictions and patriotic motives. went to hold Court: article five charges offenses committed in Wilinmston similar to those in article

took a seat near where Garrett Davis was speaking against Mr. Sherman's Kn-Klux resolution. Gen. Butler sat very attentively listening to and watching Mr. Davis closely. Finally, Mr. Davis became very much excited, and in referring to the reports of Kn Klux outrages, made some very personal remarks, and actually shook his fist in Gen. Butler's face. His excitement apparently overcoming him, Mr. Davis abruptly sat down, when, for what seemed a long time to the speciators; the two sat glaring at each other like two tigers, until Mr. Davis became so much entered to took a seat near where Garrett Davis became were the intil of the plaintiff. This extraordinary state ment, so totally at variance with the plaintiff. This extraordinary state ment, so totally at variance with the popular idea of Washington's character, created quite a sensation not only in the court room, but among the never for a moment thought that the call upon himself to pray might be as purely mechanical as to the performance of the piped monster in the call upon himself to pray might be as purely mechanical as to the performance of the piped monster in the call upon himself to pray might be as purely mechanical as to the performance of the piped monster in the call upon himself to pray might be as purely mechanical as to the performance of the piped monster in the call upon himself to pray might be as purely mechanical as to the performance of the piped monster in the call upon himself to pray might be as purely mechanical as to the personal church. They were married in the call upon himself to pray might be as purely mechanical as to the personal church about cantle.

—After giving a very plausible overflowing. The church about cantle with the matter always impressed that her mother's way of rethered in the call upon himself to be. It hasn't probably dawned upon his mind that the ment formal sm in reception; and his very conditions in reception; and the race, it being the met, to be an or refer in ment of the call upon himself to be. The Agricultus, and though the hands in his compensation of the attainments and a good with his hands in his citie, Pa., that when the subscription of Dr. Burrosse and the nested in fluence of Dr. Burrosse and the nested in the case of the process and the nested in the case of Dr. Burrosse and the nested in the case of Dr. Burrosse and the nested in the case of Dr. Burrosse and the nested as if he did not be proceed to the nested in the nested in the case of Dr. Burrosse and the nested in of Dr. Burrows, and showed signs of acity what to do, and then walked To receive no money on subscription becoming a first class institution durcreated considerable amusement to that the progress it made then and several Senators who observed it. Mil. SUMNER'S SPEECH in the

Senate on Monday March 27th, o he resolutions submitted by him on the preceding Friday, relative to keeping a naval force in the waters of San Domingo and Hayti during the pendency of negotiations for the an-nexation of San Domingo to the Uni-

MERE AND THERE.

_They have strange titles in Japan. One of the Migh dignituries in Jeddo is called his Grace of Fifty ave Umbrelius; another the Lord of a Bundard with a deceased who's safer, and Funs, and a third the Supreme and invariably with the same result. One of the high dignitaries in Jeido Controller of the Golden Poodles.

-A/Charleston (S. C.) letter says that more than 3,000 residents of that city, at the firing on Sumter, lost their lives in the field by sickness and wounds, and that fully 10,000 more have quitted the State since the suppression of the Rebellion.

Col Forney is, no doubt, of the opinion that he out-ranks Col. McClure. When the news of Mr. Forner's appointment to the collector-ship of the Port of Phillidelphia reached this city, this dispatch was sent over the wires:

HAURISBURG, March 22. Ark. McChure.

-So decided in his temperane from families, any part of whose income is derived from the sale of intoxicating liquors; to mark all such subscriptions as paid, and charge the sum to his account; and if the amount allowed him as a salary could not be raised from other sources the sulary might be reduced, just us much as the subscriptions from those doubtful sources amounted to.

-The late Dr. Wisner of Itlana. ing speakers to be found in the United States. Mr. Douglass was unofficially connected with the San Domingo commission, and accompanied the commissioners to and from that Island. On their way back to Washington, the party took the steamer Georgiana from Acquin Creek for the Capital, and when about to sit down to their meal the officers of the boat refused to allow Mr. Douglass to take a seat at the table on account of his color. The commissioners very properly resented this Insult to one of their party by leaving the table themselves.

THE North Carolinians are engagement to their meal the officers, The House of the boat themselves.

The North Carolinians are engagement to their party by leaving the table themselves.

The Foundation of San Domingo to the United States, was the most elaborate and exhaustive effort delivered in the distance of United States, was the most elaborate and exhaustive of the United States, was the most elaborate wishing to direct the young people of the new to the party took the steamer and exhaustive effort delivered in the distance of United States, was the most elaborate and exhaustive effort delivered in the commissioners to and from that Island. On their way back to Washington, the party took the steamer Georgiana from Acquin Creek for the Capital, and when about to sit down to take a seat at the officers of the boat takes a seat at the table on account of his color. The commissioners very properly resented this Insult to one of their party by leaving the table themselves.

The North Carolinians are engagement and the public who were anxious to the party of the promound Statesman and eradite orator's views on the great question of Sau Domingo on egoffations; and the close to allow Mr. Douglass to take a seat at the table on account of his color. The commissioners very properly resented this Insult to one of their party by leaving the table themselves.

The Forth Carolinians are engagement to the large of the party of the party of ted States, was the most elaborate wishing to deter the young people

clearly stated by Mr. Summer, as to compel belief in the justice of hisconclusions in regard to the impropriety of keepingfa U. S. fleet in Haytian waters prior to and pending our negotiations for the purchase of one-half of that Island. And, while we fully concede this, it does not necessity follow that the President has acted improperly, mistakenly, or by collusion for selfish ends, in the premises. On the contrary, we are of the opinion he has acted from honest convictions and particitic motives.

The great length of the document precludes its publication in our paper. We think it will not only be of interest to our readers to procure to it, but will amply repay perusal: It ought to have great weight in determining the result of pending negotiations and particities of his official duty. Such incidents are rare, too rare, we may say, on the contrary weight in determining the result of pending negotiators. It is added that the law should ever be changed in the law of change perhaps influences them, or they are supposed, for real some similar to those adduced by conservative Englishmen, to marrying their sister-in-law. But the significant facts are that in a country which to gailize marriages with a deceased wile's sister they are not frequent, the basis of social life has not been unsettled, and public deceaves and in the basis of social life has not been unsettled, and public deceave and the prevent the law should ever be changed in the law o collusion for selfish ends, in the pre-mises. On the contrary, we are of case. This incident naturally enough four, same offenses in town of Wil- the opinion he has acted from honest greatly astonished the Judge, counsel

BERSTON SENATE, March 25.—4

great speech.

SENATE, March 28.—Mr. Summer presented a petition for a Congress of Nations, where all'questions between nations may be settled without the arbitrament of the sword. He offered a resolution requiring the offered to come to time. Committee on the District of Columbia to considered what remarks and present and present the English of the Constitution, which was discussed until the hour of adjournment.

SENATE, March 29.—The Senate took up the resolution to amend the order of business so that any bill on the South passed by the House may be considered at the present session, and discussed it during the morning hour. The San Domingo resolutions of Mr. Sumner were discussed at great length, and finally tabled by a vote of 30 to 16.

House.—The House resumed the consideration of the bill to enforce the self-consideration of the bill to enforce of business so that any bill on the South passed by the House may be considered at the present session, and discussed it during the morning hour. The San Domingo resolutions of Mr. Sumner were discussed at great length, and finally tabled by a vote of 30 to 16.

House.—The House resumed the consideration of the bill to enforce where the bill to enforce the present session, and discussed it during the morning hour. The San Domingo resolutions of Mr. Sumner were discussed at great length, and finally tabled by a vote of 30 to 16.

House.—The House resumed the consideration of the bill to enforce the second the second to the second to the second to the

length, and finally tabled by a vote of 39 to 16.
House.—The House resumed the consideration of the bill to enforce the 14th Amendment, and it was discussed until the hour of adjournment.

SENATE, March 30.—The consideration of Mr. Anthony's amendment to the order of business, to allow the consideration of any bill for the South passed by the House of Representives, was resumed, and after considerable debate, was adopted. The resolution instructing the Judicinry Committee to bring in a bill relative to Ku Klux outrages was then taken up and discussed until adjournment.
House.—The House passed the Senate bill granting to Phebe Scofield a pension of \$80 per month from June 15, 1870, she being at that time 100 years old and the widow of a revolutionary soldier. The bill 'reported from the Committee to suppress outrages in the South, was then
