J. WEYAND, EDITOR AND PROPRIETOR. Beaver, Pa., May 81st 1971. Republican State Ticket.

FOR AUDITOR GENEBAL, DAVID STANTON. FOR SURVEYOR GENERAL, ROBERT B. BEATH.

Republican County Ticket. Republican County Ticket. Assembly.-Wm. C. Shurlock. Associate Judge.-Joseph C. Wilson Treassury.-Chas. P. Wallace. Pros. Attorney.-J. R. Harrah. Commissioner.-Hugh J. Marshall. P. H. Director.-Samuel Gibson. Auditor.-Ralph Covert. Surveyor.-Anariah Wynn... Trustess of Academy.-Heary. Hier John Murray.

THE Republican County Conven tion membled in the Court House in this place on last Monday, and or-ganized by appointing, Capt. G. S. Freedmen. The modern anti-slavery move Barker President, and Massrs. Frank ment began as a moval conflict. The Miner and John S. Wilson Secreta Bible was the armory, and the grand nious. Elsewhere in the ARGUS will preliminary effort was to earry be found the result of the Primary meetings of last Saturday. The majority of those composing the ticket are good men and have the confidence of the party whose support they will again solicit in October. seen two other names on the ticket Hence, as early as 1844, several mis for Assembly and Prosecuting At-istence as protests against slavery. torney, but as the nominations of Mesars, Shurlock and Harrah seem now to have been legitimately reached, we shall, along with the rest, give them our support. The official proat Albany, New York. ceedings, the names of the members of the County Committee, resolutions, &c., will appear in next week's ARGUS.

THE proceedings of the Democratic | the poor; ' its utterances and exist-Convention, which assembled at tence are meant to be a protest against Harrisburg on the 24th inst. were harmonious and orderly. Every county in the State was represented. Gen Win. H. McCandless, of Philadelphia, was nominated on first ballot as candidate for Auditor General : and Cant. William Cooper, of Lawrence county, was nominated for Surveyor General. The Democrats of whites in these missions, as being are highly pleased with their State better fitted to stand that climate. It Ticket

THE annual examination at West Point will be held June 1. A change in the order of examinations is contemplated, by which the classes will be called according to seniority. A number of the newly-appointed candidates have arrived, including Alonzo Napier, a colored cadet from ville, ago 18, and was educated at first had the protection of the nation-Howard University, where he wiss al authority. The peaceful work be-Quartermaster of Cadets, and ufter- gan amid the horrors of civil war, terward Adjutant. It is expected that President Grant will award the diplomas to the graduating class The Engineer Corps is engaged in improving the grounds and repairing the barracks.

THE Nework (N. J.) Advertiger

THE EVENTFUL DECADE Ten years have passed since Sumter was stormed. This decade had uprooted Slavery and planted Freeom. The next ten years will foster or blight the fruit., There was no peace in the land, while the negro was a slave; there will be no safety while the Freedman is unprotected in regard to the claims of British body knows, but their character inand degraded. The only safety for subjects, claiming that it will oblige him, or the nation is to make him us to pay compensation for slaves ta- somewhere a pretty considerable an intelligent and virtuous man. The American Missionary Associa-

tion has been prominent in its pracwhich the Confederate loan was se- time. the loan itself. The General argues the various guestions at great length, and his popilions — seemingly well forti-iently worthy of respect; still we will be raified. -Since writing the above we learn the Senate has raified the treaty the Senate has r tical sympathy for the slave, and for the self-denying and successful labors of its missionaries and teachers for the culture of Freedmen, Sentem ber 3d, 1871, will be a double anniversary for this Association-the quarter centennial of its existence, and the decennial of its work among the

offered, three being by Mr. Sumner,

but the marshalling was tardy. So reluctant were some of the missionabut they were rejected. It is known ry and benevolent societles to becom that Monus. Corbett, Kelly, Casserly, active in the struggle, that many Thurman, and Morrill of Vermont, earnest men could not conscientiousnade speeches in opposition to its little vagabond looked up impudent ly contribute to their support ratification without amendment. Mr. Casserly's position is aiready sionary societies had sprung into exknown. The Oregon Senators opposed it on account of the San Juan articles. Mr. Morrill took decided exception to the fishery provisions, Originating without concert, they were eventually merged into the American Missionary Association, and Mr. Thurman was carnest in his opposition on account of what he on Sept 3d, 1846, at a convention held deemied a general unsatisfactory settlement, especially in the limitations The basis of the Association is an

Evangelical, Catholic Christianity: to which we submit by the new rules its aim is to follow the steps of Him of neutral law. Messrs. Cameron and who came to preach the Gospel to Morton sustained the treaty, and argued against all amendments. The Democrats opposed ratification, with oppression everywhere, yet its work the intention of making political capis not mere discussion, but earnest Ital.

missionary labor. It naturally turn In regard to the ratification of the treaty, The N. Y. Tribune says: ed its first efforts toward the African

ex its nist elloris toward the African race; established missions in Wes-itern Africa which were effecting in we checking the slave trade. Freedmen are now suggested to supply the place so white's in these missions, as being te better fitted to stand that climate. It has fifty-seven foreign missions, and one hundred and fifty-four home in lisions; the kitter mostly in the slave States. Striking coincidents marked the beginning of the Association's work among the Freedmen. It began at Fortress Monroe, where the first slave ship passed into an American river, and where the egosping slave first had the protection of the ustion-al authority. The genceful work be-
