Most Suitable for the Family, Most Valuable for the Student, Most Instructive for the Teacher, Most Appropriate for the Child, Most Useful for the Minister, Most Interesting for the Farmer, Most Elegant for the Parlor,

Most Profitable for the Study. The Pictorial Family Bible, in addition to the features already alluded to, contains the Apacrypha, Concordance Fasims in Metre, a Summary of the Sacred Truits as taught in the Inspired Book, together with numerous and comprehensive Tables and other historical metaplanatory Matter, embodying the labors of many of the most eminest tiblical Scholars. It is printed on the finest calandared paper, from clear and open type, in one large and handsome quarto volume, and is bound in the most durable and attractive manner, while the prices are safficiently low to place it within everybody's reach.

Experienced Agents are wanted through out the country for its sale, with whom liberal strangements will be made. An opportunity of equal promise is rarely or never presented. Its sale will not be limited to any period, but will continue for a lifetime, constantly increasing with the prowth and intelligence of the country. It is therefore desirable that those who engage with as, shall do so with a view to making the business a permanent one.

Ministers, Teachers, Students, Farmers, Young Men and Women, those who would note with the most profitable of all employments—are invited to correspond with us with a view to an agency. Not a few such are averaging from \$500 to \$1000 annual profit in its all., There is a great want for the book and rich field offered, while it will elevate the spiritual condition, by constant contact with and conversations upon its beautiful and eterna; truths. Agents on the Instalment Plan, will be furnished the work in fine bludings. This plan is also popular and profitable in cities and large towns. We have an edition of the book, superbly bound, with massive paneled sides, which has everywhere been received with marked favor. Subscriptions for the Pictorial Biole, in this style and in this way, can be obtained to an almost an unified extent, as there is no outlay of money that the Bibb crader can make, which will yield hum so rich a return.
