GOLD closed, 12;(@18, on Monday. SENATOR CAMERON has authorized the Harrisburg Telegraph to say emphatically that he is not now and will ot be a candidate for the Vice Presidency in 1872. Healsonuthorizes the statement to be made that he is warmly in favor of the re-nomination

In the evening of the 27th of June Governor Geary received a United States Government draft on account of Pennsylvania War Claims, for the sum of \$298,753,08, and at 9 o'clock the following morning he paid the money into the State Treasury, This sum now becomes a part of the unexpended balance, and the interest derived from it will aid materially in themselves hugely, while the poor taxpayers must toll and sweat to gations. So we go.

PAYMENT of small bills promptly culation, and the only means of presums of money from circulation, in the payment of two and three dollar bills due, seem to'be but a little matter; but when it is considered there are millions of these small debts where there are but few large ones keeps currency affoats the very lifepostponed.

THE troubles in the Red River re gion, which were so recently shaking the fabric of the Dominion of Canada seem at last to have been settled, and the new Province of Manitola, as It is called, has entered upon a peaceful the "speech from the throne," which recently closed the first session of the Legislature, Lieutenant Governor Archibald speaks encouragingly of the laws which have been passed and the organization which has been established, and declares that great changes are impending in the material circumstances of the Province. These changes, he says, are heralded by thearrival of a new and well-built steamship, laden to its utmost capacity on its first voyage with passengars and freight, and adds, that that event closes the history of the country's isolation. The above hopeful lews, moreover, are confirmed by

Senator Spencer is making vigorous efforts to induce the President to withhold the commission of ex-Senator Warner, as Collector at Mobile. Mr. Warner's sureties are General Sherman and ex-Senator Cattell. —A Westorn paper remarks that it is just such Democratic editors as the one who asserted that a Canadian was selling fish at Gloucester, Mass, nearly 200 per cent, chesper than the Yankee dealers can, who criticise the financial administration of the United States most keenly.

cd States most keenly.

The Mobile Begister says that were it once conceded that the Borld spoke authoritatively the sentiment of the Lemocracy of the North and West, when it spoke of M. Jeff. Davis as "a politician who stupidly, criminally to use the milder phrase, blundered," there would be no Democratic party between the Potomac and Rio Grande.

and Rio Grande.

—The Boston Traveller says of the
Maine Democracy: "The party in
the next campaign will be like 'a fancy matched 'team,' consisting of a
spayined old stage horse, limping and
stambling along, beside which is
hitched a spirited colt in bad condition, half starved and badly trained.
Such a span can never win a well contested race,

Ex-Semitor Thayer denies that he is a camildate for Governor of Nebuska, and says that he shall continue to pay close attention to his private affairs, and when the proper time comes will take an active particle the same log and give the regular —When musicians in Massachusetts want to give a concert on Sanday evening, they call it "sacred," and then sing and fiddle what they picase. A brass band at Haverhili gave one of these "sacred" performances last Sunday with a great deal of drum, trombone and triangle, much to the scandal of the sober sort. An old manager once explained the way in which he arranged a "sacred" programme; "I take an old glee," he said, "for instance: 'Tell me, shepherds, tell me, pray have you seen my Chloris passe this way?" I strike out 'shepherds' and put in 'brethren'—I substitute 'David' for 'Chloris'—and it goes beautifully." time comes will take an active part in the campaign and give the regular Republican candidates an carnest support, whether they prove to be personal friends or personal enemies to himself.

—Here is another sentence from the Montgomery, Alabama, State Journal, which perhaps Democratic newspaces will quote as encerty as

stored to life. The temperature also in the tunnel is described as being very high, but efforts to improve the ventilation are being continued. Engines consuming their own smoke have been ordered from England, which it is hoped will remove many of the difficulties now experienced in the present work. Martin Meard, a farmer in good ness with which Mr. Stephens enunciats doctrines of which the party was once boastfully proud."

was once beasifully proud."

—Colonel Cyrus C. Carpenter, the Republican candidate for Governor of Iowa, is a native of Susquenanna county. Fenn., and was born in 1829. Het is indicated, having begun life in a woolen mill, and studied surveying during his leasure hours. He went to Iowa in 1854, where he was engaged for a time in surveying and teaching school. He served three years in the army during the rebellion. In 1866 he was elected Register of the Iowa Land Office, in which office he swa land office, in which office he swa during the is a member of the Methodist Episcopal Church.

—The Chicago Republican thinks says the Cieveland Lauter, than the tremendous exertion put forth by the great Atlantic cities to grasp and con-trol the trade of Lake Superior. For this purpose Boston purchased the steamers of the Northern Transpor-

ral Church.

The Chicago Republican thinks that Speaker Blaine, now that Mr. Colfax declines, should be the Republican candidate for Vice President. Says that paper: "It is manifest that, in the event of Grant's renomination, which seems to be regarded as a foregone conclusion, the Vice President must be selected from the Eastern States. A careful survey of Eastern States. A careful survey of the material at hand in that section

as the Hon. James G. Blaine.

—The Mobile Register says that the only difference between the advocates of the new departure and men of Alexander H. Stephen's views, is whether it is better to Join battle with the Radicals in 1872 directly on the true and living issue between consolidation, centralization and empire on one side; and the sarred, sovereign right of local self-government.

consolidation, centralization and empire on one side; and the screed, sovered in the other; or to hold this in abeyance as a politic device to fiank; the, Radicals out of power. Then, Register's Judgment and taste all favor the attack in front, rather than to attempt to indorse their amendment fraud."

—This is 'the way the Louisville organ: of the New Departure urges its renders to vote for its party: "What care the Radical politicians for the colored race or any other race that will not help them. The most suggeous of them have long since seen the mistake they make in distraching the leading men of the South, and in perpetualting many other wrongs, but they had not the South, and in perpetualting many other wrongs, but they had not the lands of the Climax of infamous legislation by placing such power in the lands of the President as the Queen of England dire not exercise. We are no alarmists, but it is our deliberate of the climax of infamous legislation by placing such power in the condition of the President as the Queen of England dire not exercise. We are no alarmists, but it is our deliberate of the climax of infamous legislation of the President as the Queen of England dire not exercise. We are no alarmists, but it is our deliberate of the climax of infamous legislation by placing such power in the condition of the President as the Queen of England dire not exercise. We are no alarmists, but it is our deliberate conviction that if, the Radical party should obtain a new lesse of power in 72 there will not be a fragment of the old Government of the United States left at the end of General Grant's second term.

—A Missouri paper tells a romanitic story, in which a Mr. Haynes of best aligned upon the boy; the heroes aligned upon the boy; the heroe of the clima of the heroes. They were in a field when a swarm of the boy in the heroes aligned upon the boy; the heroe of the heroes

Was decimen by F. K. Fress, of the Germanton Telegraph. The appointment of W. T. Haines, of the Pittsburgh Dispatch, as Commissioner of Customs, astouished the Pennsylvania politicians in this city. It was

nia politiciana in this city. It was known that Senatora Scott and Cam-eron favored and Green the appoint-

eron favored and direct the appointment of Mr. D. R. B. Nevin, of Cumberland county, and, that Halbert appointment was made known, it was expected that Nevin would surely be appointed in It is: stated that the Principle desires that Pennsylvania shall have the two beneau officers above mentioned, and has made the

appointments with a view of having the several sections of the State prop-

erly represented in an official capaci-typhere in Washington.

-The colored men of New York for some time have been endeavoring to organize a militia regiment, but for the want of funds, most of them being laboring men, they have been prevented. They lately appealed to the Governor to know if he would rethe Governor to Know if he would recognise them, and he has repilled that
he will give them the same advantages he would a white regiment. It is
much more sensible for these colored
men to form a regiment of their own
than it is for them to wantonix upin the white regiments; as some of
them do.

The Washington Capital takes occasion to say of Caleb Cushing:
"He is one of the most wonderful men of the day. Without office and without official recognition of any sort, he is yet a power. We hazard nothing in saying that for the last three years of our Washington observation no State paper has been written of any importance, or move made, or diplomatic agent selected, without calling in aid the pen or advice of this remarkable man. He reminds one more of a European Statesman, one of that sort who accumulates years and information without age, and up to the last moment of a long career is as valuable to his country as in the prime of manhood."
