John Murray. NOBLE county, Ohlo, furnishes a

of the temperance movements in that county will be found in another column of this paper. The temperance men in this county, and in the whole State may profit by giving it a care-THERE are a few persons herea-

bouts who would not be injured in the least if they would "read, ponder and digest," the following sentence which we clip from the Boston President Grant's administration has more fear from the eyophantic fawning of 'camp f lowers than from any honest criticism of the who aided in placing him in power."

THE Nebraska Constitutional Convention is now in session at Lincoln, and are said to be making fair progress. There seems to be little doubt that the question of female suffrage will be submitted to a vote of the people, male and female. Should it pass affirmatively, Nebraska will became the Paradise of the

sioners are constituted, now-a-days, favorites.

CONTRARY to the general belief entertained sometime ago, the temperance men of the State will not nominate an independent State ticket this year. At a meeting of their Executive State Committee held a few days since, they adopted the fol-

Services and the first is designed to the control of the control o

ook upon him, (altho not canonisad) as a saint. The Anniversary of the attle of the Boyne, has been regularly observed by them as a holiday since its occurrence. By immigra-tion, there are a sufficient number of both Orangemen and Catholic-Irish in the large cities of the United States to form very large processions, when they choose to assemble on any public occasion. Bringing the nimostics of themselves and their cestors with them to our shores no public exhibition or parade of

the one sect or the other is sale from The Orangemen of the city of New York notified the public that they would celebrate the anniversary of the battle of the Boyne, by a public parade on Wednesday last, 12th inst The low and impulsive Catholic Irish -contrary to the expressed prohibition of the Bishop of that clean temperance record. A record diocese, and the clergy of the various congregations—announced that this demonstration would be resisted.

The Mayor of New York fearing the consequences of a collision between the belligerents, and deeming it his duty, where violations of the law, riots and bloodshed, were likely to follow in the wake of the proposed demonstration — issued his proclamation forbiding the Orangemen to parade on that day. The executive of New York countermanded this order of the Mayor, intimating that however who had ill-luck in marriage; but impolitic and unwise it might be to make a public procession, still that order had the same right to so, unmolested, as any other, body of citizens; and, should they persist in doing so, they would be protected by the entire military force of the State

if necessary.

As it was determined by the leaderwof the "Ribbonmen" to proceed with their programme, several regiments of soldiers were called out and innumerable extra police details THE Commissioners recently as-ed, to guard the procession and supsembled at Washington city, for the press, riots. They were placed on purpose of Reforming the civil ser- duty on the night of the 11th of July. vice, with the view to a more econo- About noon, on the 12th, the procesinical and efficient administration of sion near one thousand strong, guardthe several departments of the civil ed by two files of soldiers on each service of the general government, side, commenced its march through adjourned on Friday last, without the city. They were attacked sin having accomplished anything, save ultaneously at several points along the drawing of five hundred dollars the line of march, the soldiers were each for ten days' duty-fifty dollars compelled to fire on the moh in orper day! Verily, this is reform with der to disperse it and quell the riot, a vengeance. Such conduct gives In doing this many "lookers on" color to the charge that Commis- were killed and wounded, as well as those engaged in the melce. The soley for the purpose of rewarding procession was broken ub—the mob was dispersed—arrests were madeforty or fifty persons were killed and one-hundred and eighty wounded. This is a sad result of foreign animosty. But the law has been indi-

> sect-peaceably to march in procession, sustained. All respectable Catholics, we are

MEREAND THERE _A young lady of Salem, Ill —A young lady of Salem. Ill., was to have been married last week. Her lover came from St. Louis with his wedding suit in his carpet-bag. She

having made Francis a philosopher. he bears his connubial bereavement with fortitude and resignation.

-Gen. Sherman is particularly genial in speech making, and created considerable sensation recently, in a little address to a college class at Georgetown, ["I was pleased," said the General, "at hearing the valedictory delivered by Mr. Dixon. I was at St. Louis about the time he was dear friend of mine, and the young gentleman so small and weak that he was not expected to live long, I stood god-father to him. That was some years back. I won't tell the girls how many-let us call it several years. [Laughter.] I do not suppose the

Constitutional Reform. The following is the act of Assent-bly paired at the last session author, ixing the people to express by vote, at the election in October, their wishes in regard to a convention to amend our State Constitution . SEC. 1. Be it enacted, &c., That the

lowing resolution:

Resolute, That we recommend the triends of probibition in the several counties of the Common wealth is adopt measures to secure, if provided the homination of temperance candidates for all apply to note, condemn this action on the part of those ignorant and some since a since and provided the homination of temperance candidates for a since the part of those ignorant and some since a since and provided the homination of temperance candidates for a since the part of those ignorant and some since a since and the part of those ignorant and some since and secure their and vote secordingly.

Mr. A. Bestwick of New Brightion is the chairman of the temperance committee of Beaver country.

Anorther Bongak has come before the public in the person of Mrs. Wharton, widow of Maj. Henry W. Wharton of Baltimore, who was arrested on the 14th inst, under a charge of having murdered General Ketchum; and of attempting the publican party as to his nomination on the national ticket, with Grant for the Vice Presidency, by manipulating a Grant and Cameron club in Baltimore, and it touched something which quickly prevailed on him to withdraw and to deciare his determination not to be a candidate. What it was it is not necessary to say, but those who are inquisitive should read the comments the project.

where main from St. Locial with this welding garthy the series of the content of

Washington, D. C. July 14th, 1871.

Juppose there is no subject affecting the interests of the American people, on which there is a greater amount of misapposassion than that of the Civil Service. In this, as in all matters having the silignest relation to party politics, a large margin must always be allowed for the misrepresentations of the open converted in the silignest relation to party politics, a large margin must always profess to want a chance to make extensive reforms it alther interest to make extensive reforms it alther interest to make extensive reforms it alther interest to make extensive reforms and last characteristics. There are a great many things which need reforming. That the civil service should be selected as one of these things into recessary to specify here.

Alf course it would be very rash to assert that there is no need of reformation; not necessary to specify here.

Alf course it would be very rash to assert that there is no need of reformation; not necessary to specify here.

Alf course it would be very rash to assert that there is no need of reformation; not necessary to specify here.

Alf course it would be very rash to assert that there is no need of reformation; not necessary to specify here.

Alf course it would be very that the civil service is very natural for a variety of reasons, not necessary to specify here.

Alf course it would be very that there is no need of reformation; which a private employer would be abled to secure in his employe's. But auch insufficency, or instinution to business of the Departments into which, one happens to call during office hours, is very different from that illustess inactivity which the popular imagination sometimes provided the popular imagination sometimes provided the propular i generally to not vote for or support any man of any party whose habits are intemperate, yet for the present we deem it our duty and expedient to labor for this cause within existing lines of party politics; having demon-strated to ourselves and the world the uselessness of any additional prohibuselessness of any additional prohibitory legislation, in so far that in a few months from the time we set about it, we have, by the blessing of God, without Prohibitory Laws, and by enforcing those laws we have, and by stirring up public sentiment, utterly, and without exception, abated every single grog shop in our county, we finding it only necessary to continue this Reform that other sections may be alike blessed, and that we

may be alike blessed, and that we, for all the future may provide against for all the nature may provide a continuous rance for the public meeting, a temperance business meeting was held of delegates from the various townships. Not a single arrest was made, nor wasnup person seen intoxicated during the entire day. One were ago there were twenty rum

document excise position agence from anythare in receiving appointments or promotions, it at their, obliges the politic case of present good material, which is certainly a great point gained, and must greatly primote the efficiency of fice civil acrifice. Exposed the too nuch to hope that any system of examination should unerringly secure the right man for the right place, but in admitting only persons of remediability; and four attainments of the bytein neight position, cased fails of gradually, but to elevate the general character of the service; while the discover man drove to Pavonia ferry, when I setter of the service; while the discover man drove to Pavonia ferry, when I making intelligence a condition of any pointment upon the clucational interest of the country, cannot but be salutary.
