ALLE IN NORTH AROLINA. The North and Also different after compartment gave way. Also June, 1862, a law was enacted establishing diplomatic relations with there was, as it were, an incessant is to take place August 3d., is exciting a great deal of interest here with both parties. The Democrats are sanguine, through their Ku-Klux medium, to prevent a great many Republican voters from going to the body and thus body and the same year, a law was passed conferring upon colored persons the right to testify in courts of justice; also prohibiting the interest of the same year, a law was passed conferring upon colored persons the right to testify in courts of justice; also prohibiting the interest of the same year, a law was passed conferring upon colored persons the right to testify in courts of justice; also prohibiting the interest of the same year, a law was passed conferring upon colored persons the right to testify in courts of justice; also prohibiting the interest of the republics of Liberia and Hayti. polis, and thus hope to win. The Republicans are equally sanguine, that through the times aid of the Union Congressional Committee, here at Washington, in the way of adviing with and encouraging the Union organizations of the State to gigtlant action, that the Ku-Klux Will be thwartest, to a great extent," in their determination to control the polls. The Congressional Committee is doing an immence amount of valuable work. For North Carolina alone fully one hundred thousand documents have been printed and circulated through the State. Senator Poole remains here working from early morn into the small hours of the night. Gov. Holden is also here doing good service for the State. Both of these gentlemen are sanguine that the Republicans will triumph

by a majority of, at least, from 5,000 ENPLOSION. The people of Washington enjoyed ensation about three o'clock ves terday morning in the shape of a heavy explosion at the U.S. Arsenal located in the extreme southern porgreat that it awoke the whole city, THE KU-KILL X BILL.

This well abused and grossly misrepresented measure is gradually, t surely working its way into pubhe favor, thanks to the wise provisions of the law, and the quiet and vigorous steps of the President in the direction of its enforcement. Already, many of the midnight assassins have been uncarthed and arrested, and action and trembling with har, het The developments before the Congressional Committee have settled the question as to the existence and purpose of the organization, and have placed such information in the hands. of the Federal judiciary, as will lead

to the arrest and punishment of a large number of the outlaws. The Democracy are trembling for the result, and between the "New Departure," on the one hand and the breaking-up of the Ku-Klux Clan on the other, the prospects for the rebel Demoracy in the South are becoming dubious indeed. If the Republicans of the South will seize upon the present favorable opportunity to bury their personal quarrels, and organize. fully and universally, in defense of their principles and privileges, the Ku-Klux Demogracy will go the way of the lost cause in three-fourths of

alike in Europe and America. Sev-

less than was at first supposed. VALLEY FORGE.

The Remaining Vestiges of the-Revo-Intion for Independence—A View of the Once Furned Scenes—Washington's Headquarters as Seen After One Hundred and Twenty Years of

A correspondent of the Philadelphia Press, writing from Valley Forge, says: Valley Forge is in a tion of the city. The shock was so deep hollow on the west side of the Schuylkill river, twenty-two miles and such a rush upon the streets all from Philadelphia, lying directly at over the city of anxious faces enquire the mouth of a small stream known ing from whence came the ferrific as Valley Creek. Here about the year shock, never has been experienced 1740 a forge was established by Isaac here such the assassination of Presi- Potts, a member of the gamily that dent Lincoln. Not a few, before they settled Pottsgrove or Potistown, from outel ascertain the facts in the mat- which it afterwards took the name ter, he sored under the belief that an of Valley Forge. In October, 1777, earth quake had swallowed up one- Washington (who was encamped a half of the city. The damages is valabout fourteen miles above Philadelriosly estimated from \$75,000 to \$150; phia, where he had marched shortly 630, but were it not for the prompt after the disasterous battle of Brandyand efficient actions of the police, and | wine) resolved to march his troops fire department of the city in putting into winter quarters at the Forge, out the fire, \$1,000,000 would not have I which was unquestionably the most secure spot in Eastern Pennsylvania. Tho not intend, however, to write up American history, but would advise my readers, in the language of Captain Cuttle, to "overhaul the books,

and, when found, make a note of it.' The first thing, of course, for a stranger to see is Washington's Headquarters, a small two-and-a-halfstory house, made of a peculiar brown-colored stone, supposed to have been built about 1752. It is now inhabited by Hannah Ogden, who was born in it, and has lived there morn than sixty years. She is alwas pleased to see visitors, and they are courteously shown over the house, from cellar to garret, if they wish it. On the second floor is a small room said to have been used as a bedroom by Washington. Innumerable closets and secret receptacles for papers, &c., are to be found in

every corner. As we pass out of the house a large old-fashioned clock. standing in the corner of the hall, attracts our attention, made, as the superscription states, by "Thomas Wagner, London," but with no date. The fortification is about half a mile off. Just on the other side are two large hills, covered by dense woods, known as Mount Joy and Mount Misery. It is popularly be-lieved that Washington, having bounders on the later mount, careful. spread his cloak, a la Sir Walter

CHANDLER have purchased the exclusive right of Beaver country to usely struck's Pattent py vulcanite as thin as Gold Plate, with a beantiful enameled polish to the mouth; obvisting all that clumps and bulky condition, so much complained of heretofore; and lessening their liability to break 100 per cent. Indeed, no one seeing it would be willing to wear the old style plate any longer than they could conveniently get them exchanged. All branches of Dentistry performed in the best and most substantial manner. In filling teeth with gold, etc., we challenge competition from any quarter, and can rufe to living subjects whose fillings have stood between thirty and forty years. Among the number Ilon. John Allison will exhibit fillings we inserted same 33 years ago; the teeth as perfect as the
