An interchange of opinion developed the fact that little, if any, disaffection exists in our ranks in this county. After arranging some details, the Committee

adjourned, determined on going to

SHURLOCK, Republican candidate for the Legislature for this county, visited Zelienople, Harmony &c., in Butler county last week, and returned, satisfied that everything was right in that end of the District He had been led to believe, before his trip over there, that Dr. Lusk, the Demogratic nominee, would poll a heavy Republican vote in that vicinity; but after a minute investigation he finds the whole story to be a canard.
