Now, son of a single legal adviser. It is ed any further remarks on his part. however, Morton seems to have been set aside. New York demands that one of her citizens shall continue in the State Department, and the name now most prominently mentioned is of European politics and interest, but now most prominently mentioned is of European politics and interest, but now most prominent of the first of the first in the countries of the first in t that of Andrew D. White of Cornell because, of all nations the United ty-five years. All through Central burned over. Three sawmills are

THE Connecticut election took place on Monday of last week, seventynine towns went straight Republic an, forty-five straight Democratic, and twenty-two-are divided. Of the latter, eight have elected a Republic an majority in the Board of Selectmen, and six a majority of Democrats. Four are a tie and four doubtful. This gives the Republicans against them; but at last accounts eighty-seven towns and the Democrats fifty-one, which is a Republican gain over the spring election.

The election in Texas, last week. passed off quietly throughout the State as far as heard from, except at by force, to the mandates of the Groesbeck, where five negroes of the Court. He is reported to have said State police murdered an old citizen. D. C. Apple, white. The negroes judiced against him personally, and were arrested. The vote polled the Mormons in general." He is small. . The Democratic majority

nolds, commanding the Department | the prejudices operating in Salt Lake of Texas, has been forwarded by the City could not have influence." He War Department to the Secretary of should, however, go into Court as the Interior. The letter is dated Sept. 20, 1871, and suggests that an them do their worst." interview be arranged between Satanta and Big Tree, the Kiowa chiefs, who are condemned to imprison- excuse a man for committing forniment for life at Huntsville, Texas, and the chief men of the bands of Indians now occupying Eastern Texas, York, Pennsylvania, Alabama and the interview to be presided over by agents appointed by the Secretary of California. Bigamy, therefore, was the Interior. Gen. Reynolds beas much a crime in salt Lake as in lieves such an interview might lead. any of those States-and that the Conthrough Salanta and Big Tree, to stitutional provision that no man should be prosecuted for his religious further interviews among the Indians living in Eastern Texas and opinions, would not be admitted as a the Kiowas, and result in making the plea in bar to an indictment for biglatter tribe better satisfied to remain on their reservation and cease raid

tion are fighting the fires without success, and many have fallen down

threatened mills and settlements, in Eighteenth Annual Exhibition some cases with water available and of the Beaver County Agricullong and harrassing and the men so tried with the smoke and fatigue.

that in a great many places the contest has been given up. In places where there was no water the only available plan has been to dig tranches around the property; but the east wind carries large pieces of burning bark through the air, and renders such means useless.

The Administration of Administration of the property of the prope

iest farmers are engaged in sinking six dwellings and shops, with barns artesian wells, preferring to incur this and other buildings were burned, and heavy expenditure, rather than trust it is said the inhabitants saved themselves by fleeing to the pier and takrendered almost impossible. This Creeks, Ahaupee, and Kewanee and other villages have been more or less damaged. In Doer county, next north, great quantities of cord wood, railroad ties, telegraph poles, and other property got out for shipment, have been burned, in addition to the houses, barns, etc. On the west side of Green Bay and Fox river, the flames extended from Menomonee to Oshkosh, a distance of one hundred

and twenty-miles in length and thirty in breadth. The region is one of alternate pine and hard wood timber, and thickly settled with milling and farming settlements. The haystacks, fences and bridges on the road are mostly gone. In some cases large lots of pine logs in dried upstreams are burned. Very little travel is practicable, and it is with difficulty that definite particulars can be obtained. ars can be obtained.

Along the line of the Chicago and

tended close up to the track on either side, for many miles, between Depore and Appleton, threatening the bridges and culverts, burning the fences and cordwood, and requiring a considerable amount of ties have

been burned. Deer and bears come o devote to shooting them, On the line of the Green Bay and Lake Pepin Railroad grade, a half mile of corduroy substructure, three thousand ties, and hundreds of cords of wood belonging to the road were burned, besides property of much greater value belonging to farmers. All the bridges on the line on the Manitowoc road for twenty miles east of Green Bay are consumed. Alder's circus passed over them only a few hours previous, on its way to Manitowoc. The fire extends to the city limits of Green Bay on the cast, and is running over the adjacent marshes. The in the streets. The smoke is so dense

that buildings two blocks distant are not noticeable. On the west fires have approached the village limits of Fort Howard, immediately opposite on the river, and large forces of men are engaged in staying its progress.
What will be the result to the standall! She had a pension from the log pine and other timber in these counties cannot yet be accertained.

A correspondent of the Cincinnati

Times from the West gives the following sketch of a how to be built by

Having by the latest alterations, remedied all real or imaginary defects, none now find fault, except those who are duped by ignorant servants or designing sharpers.
I am also manufacturing four sizes of Heating Stoves, one of them large and suitable for churches and school rooms. Two sizes of Fancy Parlor. Stoves with Layton's Patent Damper attached, together with the Young Lion (a sick room stove).

Miscellaneous OHGANIZED 1851. BBEEDMIE LIPE INSURANCE COMPANY,

Home office, Pillisfield, Mass.

Mutual protection is secured to the Policy fielders of this company by a Special Law of the State. For example: Suppuse you are thirty Ave years of age, and take an ordinary Lafe Policy. If you thould make ONE payment, and should fall to make the SECOND payment, and three days of the thirty year. If you did doring the sav ond year and three days of the third year. If you did doring the two years and three days, year and there days, only the overdue premium and interest.

One Annual Payment will keep you insured a years and they you insured a years and you insured to years and you have you insured to years and you have you insured to years and you insured to years and you day. Three Annual Payments will keep you insured to years and you insured to years and you have you insured to years and you have young and you insured to years and you day. Three young insured they you insured to years and you days. They wanted they you insured to year and you day. Three young insured to year and you insured to years and you insured to year and years and years and years and years and years and ye Home office, Pillsfield, Mass. The Advantages of such Protection, The Advantages of such Frotection.

New York, March 11, 1871.

W. H. Greene, inte of New York, insured a few years since in the Berkshire Life insurance Company for \$3,500; but, owing to misfortune in bashness, was unable to make any payment to the Company during one year and ten months prior to his decesse, which occurred January 12, 1875.

to his decesse, which occurred January 12, 1876.

I have this day received/at the New York office of the Company, 271 Broadway corner of Chambers street), Three thousand two hundred and nitety-nine dollars, this being the full amount due to his widow, after deducing the macadan natural and interest. overdue payments and interest.

W. B. HARRISON, 107 Broadway A Special Law of the State of Museu. Chusells

Provides that if you should fall to make your payment when due, and still preserve the conditions of the Policy, you will remain lawred for a certain number of years and days therafter, and if death occurs during that time the Policy will be paid as above. The ratio of expenses to receipts in The ratio of expenses to receipts in this Company is smaller than the average of all he Companies doing business in the United States.

The True Benefits of Life Impurance,
—It is time that those who seek the true benefits of Life Impurance should understand that Companies which strive to do the largest business, the postsustently ignore future liabilities.) are hy to means the best companies in which to insure

It is the aim of the Officers and Directors of the Berkshire to do a safe, progressive business. of the Berkshire to do a sale, progressive business, which shall each year add to the strength and stability of the Company, and at the same time for nich its members with more Lasurance, larger Dividends, and greater advantages than can be reall zed in any other Company.

and in any other Company.

Annual Cash Dividends.—This Company is Strictly Mutual, and divides all the profits among the Policy Holdera, on the Contribution Plan. As your Cash Dividends increase, the tature payments which you make will gradually decrease. Dividends may be added to the Policy, and are never forfeited by the non-payment of primiums, but may at any time be converted into Cash.
